Dated Shimla-171002, the 9th September, 2009

OFFICE MEMORANDUM

Subject:- Himachal Pradesh Civil Services (Revised Pay) Rules-2009 – Clarification regarding extra amount after revision of Pay in the Revised Pay Structure

1. The undersigned is directed to invite attention to the notification of the H.P. Civil Services (Revised Pay) Rules, 2009 notified on 26th August, 2009 and this Department's order No. Fin (c)-B(7)-2/2006, dated 26-8-2009 regarding the revised Dearness Allowance pattern.
2. Your attention is invited to 'Note-7' in Rule-7 of the H.P. Civil Services (Revised Pay) Rules, 2009 which provides for adjustment of extra amount if any, due to payment of Interim Relief, after implementing of the Revised Pay Structure. The same is required to be adjusted against the Pay Arrears of the concerned employees.
3. It has now been decided that in the case of employees, in whose case, the total emoluments in the old pay scales being presently drawn exceed the total emoluments admissible after fixation of pay in the Revised Pay Structure, the extra amount if any, being drawn by them, may continue to be paid to them and may be shown as a separate component, as 'Adjustable Emolument', in the pay for September 2009 and onwards, till the same is fully adjusted against any future increases in pay and allowances or Pay arrears.

4. The "Adjustable Emolument" shall not be counted for payment of Dearness Allowance or any other entitlements and will not be treated as "Pay" for any purpose. Drawing and Disbursing Officers and Treasuries shall ensure that the "Adjustable Emoluments" is set off at the earliest in the revised pay scales towards any future increase in emoluments of the concerned employees, whether by way of increment earned, future release of Dearness Allowance, payment of arrears of any kind, promotional increments etc.
