Subject:-Regarding pay fixation on promotional post.

Sir,

On the subject cited above I am directed to say that all the revised pay scales form part of revised running "Master Scale" and thus the rates of increments at the same stages of the revised scales are the same. The Government employees shall get ex-gratia annual increment(s) at the same rates as are given in the master scale subject to the condition that in no case the basic pay of the Government employee shall exceed from the maximum of the master scale.

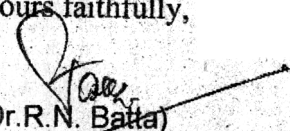

The Finance Department has been receiving references from various departments seeking clarification as to how the pay of a Government employee be fixed on promotion who is/was drawing basic pay beyond the maximum of the pay scale of the promotional post at the time of his promotion.

After careful consideration, it has been decided that where a Government employee is/was already drawing pay equivalent to the maximum or more than the maximum of the scale of the promotional post to which he is promoted, he shall be allowed increment(s) on

promotion in accordance with the provisions of F.R. 22.1(a)(i) in the form of ex-gratia increments at the same rates as are given in the "Master Scale" after the stage at which he is promoted, subject to the condition that in no case the basic pay of the Government employee shall not exceed twenty three thousand six hundred rupees and the whole amount of pay of the higher post shall be treated as amount of pay earned by way of ex-gratia increments.

Any clarification, if given earlier in this behalf, deemed to be modified to this extent.

• Yours faithfully,

  
(Dr. R.N. Batta)

Additional Secretary (Finance) to the  
Government of Himachal Pradesh
