

No. Rev-D(G)8-14/2015
Government of Himachal Pradesh
Revenue Department.

From

Principal Secretary (Revenue) to the
Government of Himachal Pradesh.

To

All the Deputy Commissioners,
Himachal Pradesh.

Dated: Shimla-2,

19-10-2023

Subject:-

Regarding identification of suitable land for infrastructure
or various projects by various departments.

Sir,

On the subject cited above, I am directed to say that for setting up of developmental projects, the land is identified by various departments as per their requirement and the same is allotted to them. Now in various cases, it has come in the notice of the Government that the land identified/allotted to the departments is either very sloppy or far away in deep channels where site development cost is very high which enhances the total cost of the project many fold. Therefore, it has been decided by the Govt. that when the land is identified by the departments, the Deputy Commissioner concerned shall visit the site and look into the feasibility and condition of land whether the same is favourable for construction and has less cost of site development and recommend the case accordingly. Further, if suitable land is not available as discussed supra, the Deputy Commissioner shall explore the possibilities of land acquisition also. This may be treated as most urgent.

Yours faithfully,

(Balwan Chand)

 Joint Secretary (Revenue) to the
Government of Himachal Pradesh
Phone No. 0177-2626450

Endst. No. As above

Dated: Shimla-2,
