Subject:

CWP No. 8317/2014-Manorma Devi vs. State of H.P. & Ors. and allied matters. (Regarding allowing the petitioner to work in the same capacity on SMC basis).

It has come to the notice of the undersigned that interviews for different kind of post on SMC basis are being conducted in the field institutions despite the fact that the matter regarding making such appointments appeared before the Hon'ble High Court on 22.12.2014 when the Hon'ble Court was pleased to dispose off all the writ petitions, alongwith pending applications by directing the respondents-competent authority to examine and consider the cases of the writ petitioners sympathetically and make decision within eight weeks. Interim directions granted in some of the writ petitions shall govern all the writ petitions and shall remain in force till the decision is made by the respondents. Judgment dated 22.12.2014 may kindly be downloaded from net.

Therefore, in view of above directions/orders given by the Hon'ble High Court, it is hereby directed that no appointments/engagements of teachers on SMC basis be made till the representations of all the petitioners are decided within stipulated time period. These directions be adhered to strictly. Any deviation from above directions will be at your own risk and responsibility. The copy of above judgment/order may be supplied to other concerned respondents/authorities, at your own level, at the earliest.

This may kindly be treated as Most Urgent.
