**Subject:** Innovative and intuitive teaching methods by individual.

Sir,

A number of brilliant methods have been employed by a number of teachers. These effective, unorthodox and sometimes even evoking not so favourable reactions, in the long run have turned out to be the in thing, which we must, applaud, emulate and make the practitioners as our trainers in various training programmes. Each and every individual effort must be not only be brought to the notice of all, but such a innovative practices must be documented also.

Yours faithfully,

  
(Dr. Arun Kumar Sharma)  
Secretary (Education)  
to the Govt. of H.P.
