

1. GPS Kamlari, CHOWARI, Chamba

Mandeep Kaur

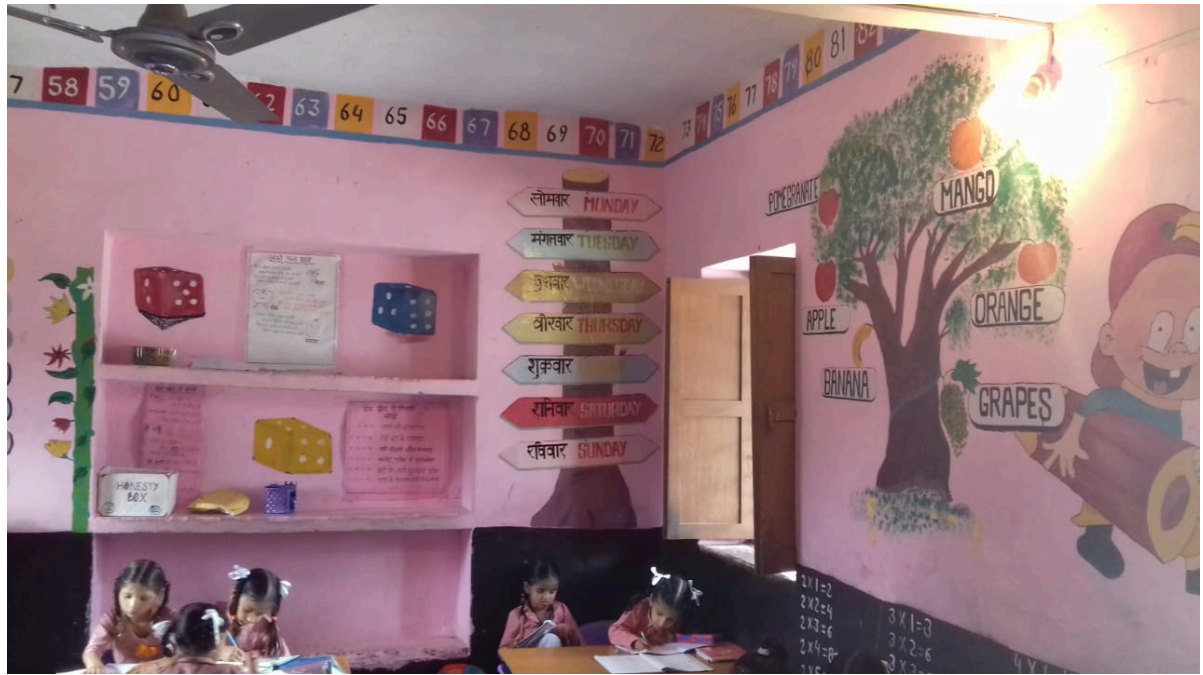

Smt Manjeet Kaur took the help of SMC members and parents to arrange computers for the school and teach students through it. She paid attention to the school campus and ensured good infrastructure and maintenance. She also provided smart uniforms for the students and a hand-washing facility was setup for all the students. She carried out an enrollment drive and due to her efforts the school is among the top three schools in the Block.

2. CPS Chowari, Chowari, Chamba

Ms. Pushpa Rani

Ms. Pushpa Rani turned the classroom into an attractive space through wall paintings and TLMs on the wall and uses innovative teaching methods to teach students. She changed the uniforms of all the students and made them participate in all cultural events. With the participation of parents and other teachers, she arranged costumes for cultural event.

3. GHS Lambsafar, Seraj-I, Mandi

Mr. Manjit Singh

Mr. Manjit actively teaches students through models, charts, and videos. He makes students conduct science experiments and build models on their own to ensure they learn by doing. The students of this school also stood first at the Block Level Science Fair.

4. GPS Mahadev, Ramshahar

Mr. Kailash Chand

Mr. Kailash Chand modified the school uniform and has taken initiative to improve sports and activities in the school. There is high participation of students in morning assemblies, quizzes, speaking activities organized regularly in the school, where they learn in an engaging way.

He also got all books of students binded in the school. He has involved the community in school events and conducted SMC meetings effectively. His efforts have helped increase the enrollment from 26 to 42 students in the school.

5. GPS Granger, Banikhet

Mr. Praveen Kumar

Mr. Praveen Kumar started nursery classes in his school in 2013. With his own efforts, 25 students were enrolled in pre primary in present session. He has also started computer education in the school and focuses on activity-based learning.

In addition, he has installed CCTV cameras in all the classrooms to monitor teachers and lectures.

6. GPS Mail, Banikhet, Chamba Indu Bala and Mr. Ganesh Dutt

The teachers started nursery education in the school. Ms. Indu involved the community and started computer education in the school with their help. She pays personal attention to develop reading habit in students by providing then sitting library in school.

Ganesh Dutt prepared students fro cultural activities He made students practice and motivated them and they won prizes in block level tournaments held this year.

7. GHS Baili, Banikhet, Chamba

Mr. Jai Prakash

Mr. Jai Prakash started a community mobilization programme in the school. Due to his efforts the School SMC selected Best SMC in the block, which has been documented by DIET as well. Trainings are regularly conducted in SMC meetings and members actively participate in the functioning of the school. He also prepared students and started a start block level science quiz and seminar in the school. One student from the school was also selected for the SCERT Solan Science Seminar.
