1 Chapter I

THE PARTICULARS OF ITS ORGANIZATION, FUNCTIONS AND DUTIES:

1. Historical Background:

Before the enactment of Code of Criminal Procedure 1973, Prosecution Agency of the State was part of Police organization in Himachal Pradesh. At that time prosecution in the State was being conducted by Police Prosecutors who were posted as Prosecuting Sub Inspector/ Prosecuting Inspectors/ Prosecuting Deputy Superintendent of Police. They were conducting prosecution in cases of the State. The Police Prosecutors were under the administrative control of the Superintendent of Police at District Level but over-all control rested with the Inspector General of Police of the State.

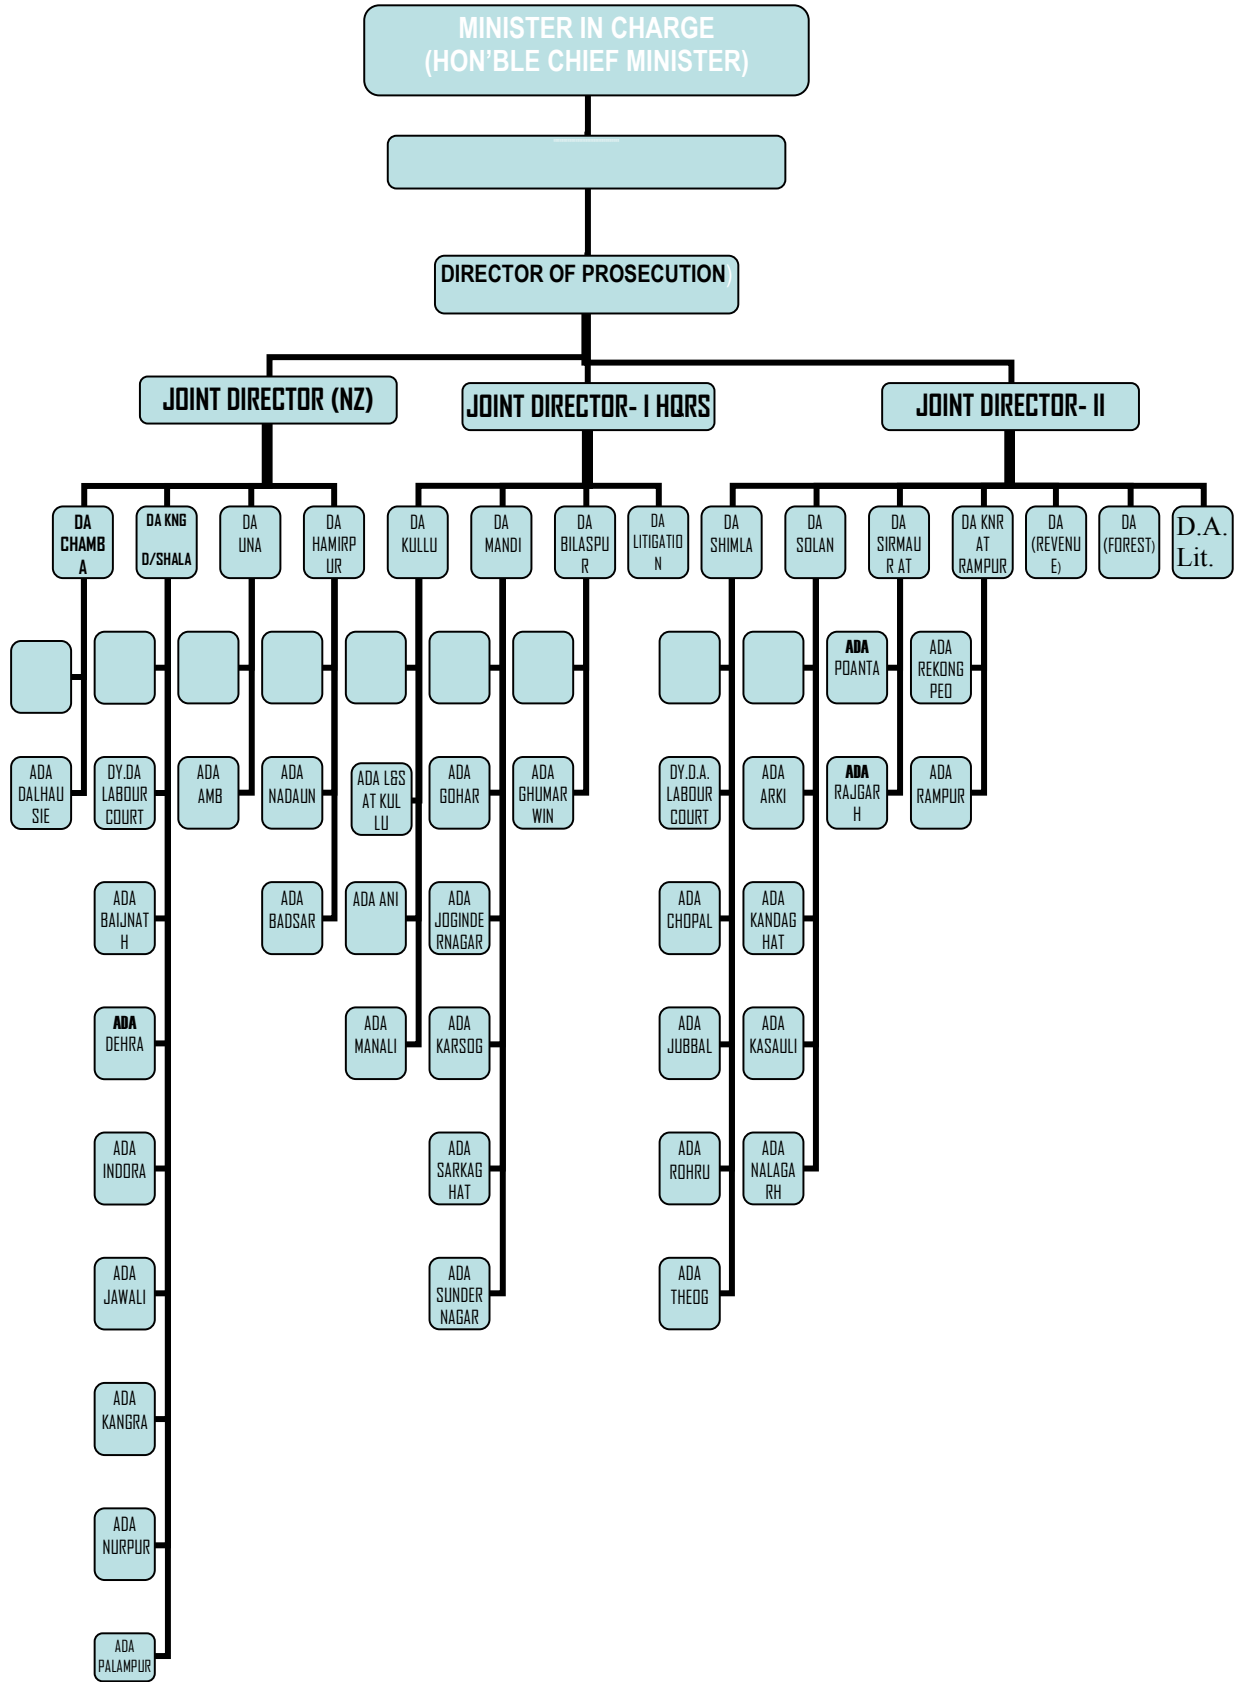

After coming into force the new Code of Criminal Procedure 1973, the provisions for the appointment of Assistant Public Prosecutors and Public Prosecutors were made under Section 24 & 25 of Cr.P.C., 1973. Regular cadre of Prosecutors came into existence in the year, 1974 as the earlier cadre of Police Prosecutors was abolished keeping in view of the provisions contained U/s 25(2) Cr.P.C., wherein it is provided that no Police Officer shall be eligible to be appointed as Assistant Public Prosecutor. The intention of the legislation while separating the Prosecution Department from the Police Department clearly indicates that the Prosecution Department of the State shall function independently without any undue pressure or favour from any corner including the Police Department.

Directorate of Prosecution:

Directorate of Prosecution came into existence in the year 1974 and the charge of the post of Director of Prosecution was initially given to Secretary (Law)-cum-Legal Remembrancer, who used to supervise the working of Prosecution Department and was also having the Administrative control throughout the State. The Administrative control was transferred from Law Department to the Home Department in the year, 1996 and the post of the Director of Prosecution was manned by I.A.S. officers and thereafter for the first time, Director of Prosecution was appointed from the cadre of Prosecution Department in the year 1999. At present, the Director of Prosecution is appointed by the State Govt. from the cadre of Prosecution Department with the concurrence of Hon'ble Chief Justice of Himachal Pradesh High Court from amongst the Joint Directors of the Prosecution Department. The above appointment is made in consonance with the provisions of Section 25-A of Code of Criminal Procedure.

At present, the Directorate of Prosecution has the cadre strength of **174** Prosecutors, which consists of **1** post of Director of Prosecution, **3** posts of Joint Directors, **14** posts of District Attorneys, **33** posts of Deputy District Attorneys and **94** posts of Assistant District Attorneys. Apart from this, there are **4** Joint Directors, **11** District Attorneys, **13** Deputy District Attorneys and **1** Assistant District Attorney working in other Departments. The detail of which is mentioned at page No. **30, 31 & 32** of this report.

PROSECUTION MANUAL

In January, 2008, the Government of Himachal Pradesh published its first Prosecution Manual, which will increase efficiency of Prosecutors in the State. The procedure and guidelines will make the prosecutors/law officers more accountable and curb delays in day-to-day functioning of the Department. The Manual will also guide and improve the working of the Prosecution Department of Himachal Pradesh.

It is indeed gratifying that the drafting of this Manual is coinciding with major legislative reforms in criminal justice. The Criminal Procedure Code (Amendment) Act, 2005 has brought about several changes, including a statutory Directorate of Prosecution and the Criminal Procedure Code (Amendment) Bill, 2006 promises more major reforms, based mainly on the Malimath Committee on reforms of the criminal justice system.

Almost all the work of this department except legal work is being done in Hindi. However, some legal work was also done in **Hindi**.

8. BUDGET

The detail of the amount, which is received from the Government on different sub Heads for the year **2014-15** under demand No. 3 and 31 is attached as Annexure A-5 for perusal. Under this department, except Directorate other **38** offices are included under demand No. **3** and **3** offices fall under demand No. **31**.

During the year **2013-14** under the sub head Office Expenses less amount was allotted and the amount allotted was not sufficient to cope up with the pending bills of this Directorate. It is, therefore necessary that sufficient funds be provided under the above mentioned sub head for the smooth functioning of this Directorate.

9. DIFFICULTIES:

This department is not having sufficient Prosecutors and ministerial staff to cope up with the day to day work. At the Head quarter level only one Sr. Asstt. 2 Clerks, one Junior Scale Stenographer, 2 peons are posted with the Distt. Attorneys, whereas at Dharamshala, Chamba, Hamirpur, Una, Bilaspur, Solan, Nahan, Shimla, Kullu and Mandi, the number of Law Officers are more than 5 and 6 and require more supporting staff. **11** posts of Assistant District Attorneys are lying vacant. The private advocates always have sufficient staff to assist them, but as compared to the private advocates, the law officers of this department do not have sufficient manpower to assist them. In this department one post of Junior Scale Stenographer had been sanctioned for each district head quarter level. However, at the sub divisional level, there is no post of stenographer and as such the work of this department is also suffering at sub divisional level in the absence of Stenos. The post of Steno is very much essential for the smooth and effective functioning of the offices at the sub divisional level.

It is, therefore, necessary that for the proper functioning of the work of this department, one post of clerk with each law officer at District Level and one post of Steno at each Sub Divisional level is required to be sanctioned.

At the District HQ level the District Attorney is the office-in-charge. He looks after the work of establishment/financial matters etc. in addition to legal works, and he mostly remains busy in the courts. Hence, the post of Superintendent Grade II is very essential for the smooth working of office of District Attorneys at the District Level. At the District level, law officers have been attached with the judicial courts and they remained busy in the judicial work for whole day and as such the cases before the Revenue courts/Executive Magistrate are not attended to. It is essential that in each district HQ and sub divisional level additional post of Asstt. District Attorney is created so that work may not suffer. This department has taken steps for the creation of above posts, many times with the Government and the matter is still under consideration with the Govt.

In addition to this, it is pointed out that at present law officers/officials at the District level/sub divisional level have not been provided suitable official/residential accommodation. This matter also requires urgent attention.

10. ACHIEVEMENTS OF THE DEPARTMENT

(i) This Department has provided computers at Distt. Hqrs. and Sub Divisional Level which will help in monitoring of court cases and will increase the efficiency of Law Officers as computers have become most indispensable in the modern offices. FAX machines have also been provided to DAs.

(ii) The department has also provided Lap tops along-with Law Software to all the Public Prosecutors under the 13th Finance Commission grant. The Public Prosecutor can easily locate the latest law settled by the Hon'ble Supreme Court of India and as well as by the High Courts in their day to day functioning in the Courts.

(iii) During the period under report w.e.f. 1.4.2014 to 31.03.2015 an amount of Rs. 1,50,00,000/- have been sanctioned for the constructions of office/ residential accommodation of this department.

11. PROSPECTIVE PLAN OF THE DEPARTMENT.

The Department has provided Law Officers in the office of Superintendent of Police to tender legal advice at the stage of investigation which will improve the quality of investigation and increase the rate of conviction in criminal cases.

Efforts are afoot to increase the rate of conviction by applying latest technology i.e. Forensic science etc., in the prosecution of criminal cases.

12. INSPECTION:

Periodic inspections of the offices of District Prosecution agency and sub divisional level prosecution agency are carried out by the Director of Prosecution & Joint Director of Prosecution. The heads of the District Prosecution Agency have been instructed to inspect the office of Prosecution agencies in the Sub Division level within their jurisdiction.

2. RIGHT TO INFORMATION ACT.

During the year **2014-15**, **13** applications under the Right to Information Act have been received in the department, and were disposed off accordingly well in time, in accordance with the Act and Rules.

13. CONVICTION RATE

a. IN TRIAL COURTS:

Conviction rate in criminal cases conducted before different Trial Courts in H.P. w.e.f. **1.4.2014 to 31.3.2015** figured at **33%**, which is quite satisfactory and further steps are being taken to enhance the same by issuing directions to the prosecutors of this Directorate to increase their performance and efficiency accordingly.

b. IN APPELLATE COURTS

In criminal appeals/revisions preferred/instituted by the State of H.P. before the different appellate Courts of Ld. Sessions Judge/Additional Sessions Judge/Fast Track Courts respectively against the judgment of acquittals/orders passed by the Judicial Magistrates, the success rate of acceptance of appeal/revision in favour of State of H.P., comes to **49%** which is quite encouraging and shows the effective performance by the Prosecution agency.

14. GENERAL

On the whole, the work of the prosecution agency in the State during the year **2014-15** has been found satisfactory. Efforts are being made to streamline the functioning of the Prosecution Department with a view to achieve a higher level of conviction rate so that HP becomes number one State in the field.
