

## CHEMISTRY & TOXICOLOGY DIVISION

The division undertakes examination of clue materials such as:

- Poison
- Petroleum product residue in arson & dowry deaths and in adulteration cases
- Alcohol estimation from blood and urine for drunkenness
- Phenolphthalein in trap cases
- Liquor
- Methanol in hooch tragedy
- Acid & attacks
- Grease, wax, oils & resins
- Cosmetics & organic dyes
- Chemical identification of unknown substances

### CASE STATISTICS

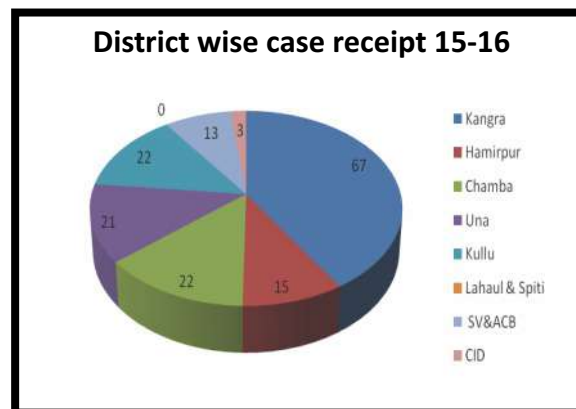

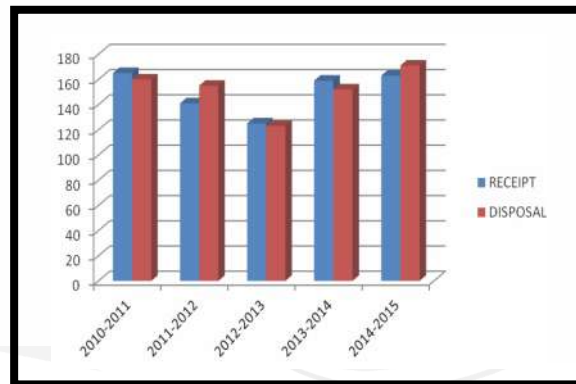

# DOCUMENT & PHOTOGRAPHY DIVISION

The Document and photography Division was established in July, 2008. The crime cases pertaining to Forensic Documents from Districts Kangra, Chamba, Una, Hamirpur, Kullu, Lahaul Spiti, SV&ACB of Northern Range, CID Unit Northern Range, besides cases from Judiciary are undertaken for examination. Forensic Document is the systematic and scientific study of holomastic and onomastic documents. This division provide solutions in:

- Fraud & forgery
- Handwriting, signature, typewriting, computer printout
- Stamp & seal
- Burnt & soiled document
- Counterfeit currency
- Genuineness of security documents viz. Passport, stamp paper, credit card, debit card and other financial document
- Evaluation of erasure, obliteration, alteration, indentation etc.
- Paper and ink analysis
- Preservation of hard disk, memory card, pen drive, compact disc, digital video recorder, mobile phone.
- Scene of crime photography and laboratory photography

## CASE STATISTICS

## TEACHING & TRAINING

Name & Designation	No. lectures / demonstrations
Dr. Meenakshi Mahajan, Assistant Director	52
Dr. Surender Kumar Pal, Assistant Director	37
Sh. Chaman Lal Sharma, Scientific Officer	20
Sh. Ajay Sehgal, Scientific Officer	26
Sh. Mam Raj Sharma, Scientific Officer	30
Sh. Rajat Chaudhary, Scientific Assistant	08

# **RFSL, CR, MANDI**

## **INTRODUCTION**

Mandi formerly known as Mandav Nagar which remained capital of erstwhile princely state of Mandi is situated on the bank of river Beas. Mandi town is the head-quarter of Mandi district and Zonal Head Quarter of Central Zone. There are more than 300 old and new temples at Mandi also known as “Chotti Kashi”.

In the first meeting of the Himachal Pradesh Forensic Science Development Board, the Government created Regional Forensic Science Laboratory, Central Range, Mandi to cover central range districts for quick and timely availability of the scientific reports in crime investigations. Initially in the year 2008 the RFSL, CR Mandi was temporarily housed in a rented accommodation at Gutkar at NH-21. The RFSL moved to its own new complex in March, 2013. The complex has an area of about 10,000 square feet and constructed as per passive solar principles. The RFSL Mandi is catering to the needs of five districts viz. Mandi, Kullu, Lahaul & Spiti, Bilaspur, Hamirpur. There are three specialties viz. Biological Sciences, Physical Sciences and Chemical Sciences.

## **WORKING**

There are three scientific divisions:

Biological Sciences (Biology & Serology division)

Chemical Sciences (Chemistry & Toxicology Division)

Physical Science (Physics & Ballistics Division)

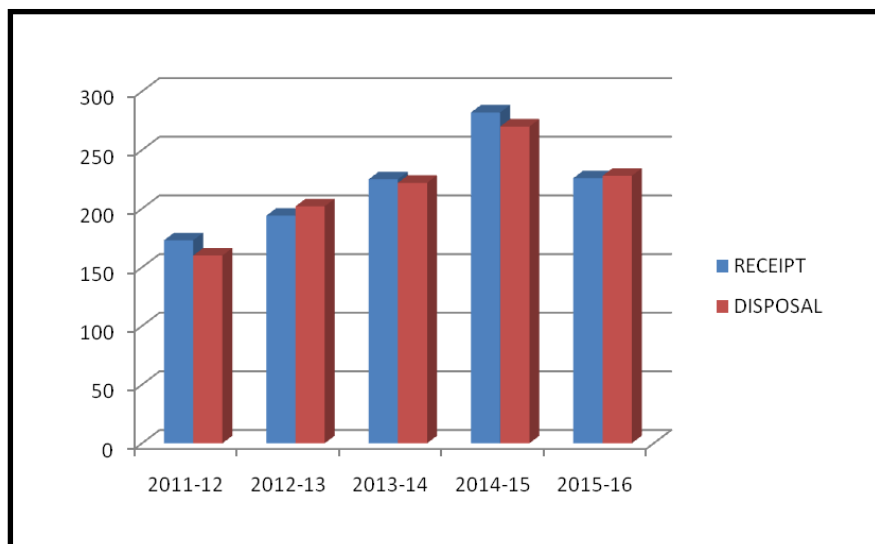

## BIOLOGY & SEROLOGY DIVISION

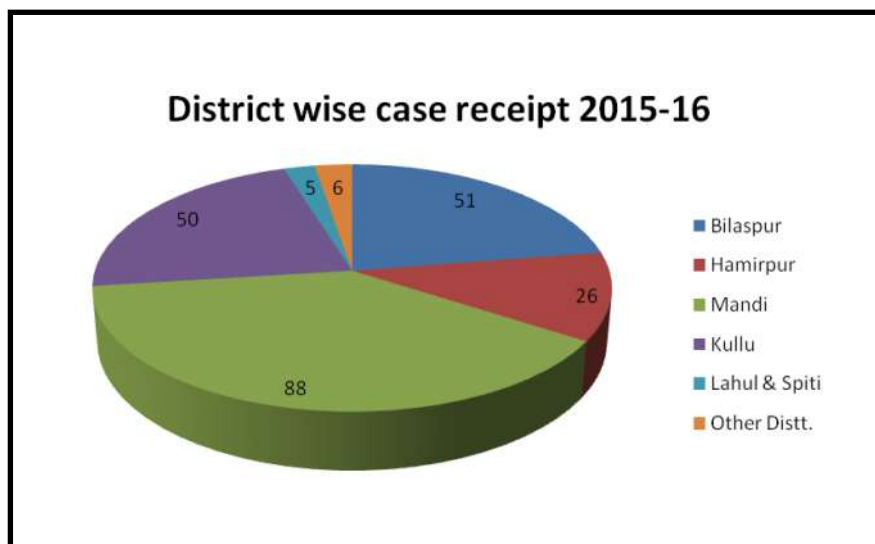

This division is functioning since 2009 and undertakes examination of the following types of evidentiary clues in different crime cases for identification and comparison:

- Blood, semen & saliva
- Diatom
- Vomit & faecal matter
- Charred bone, tissue & skin
- Bone (animal & human)
- Hair (animal & human), fibre, feather
- Wildlife cases (flora & fauna)
- Wood & plant product
- Maggot

### CASE STATISTICS

### District wise case receipt 2015-16

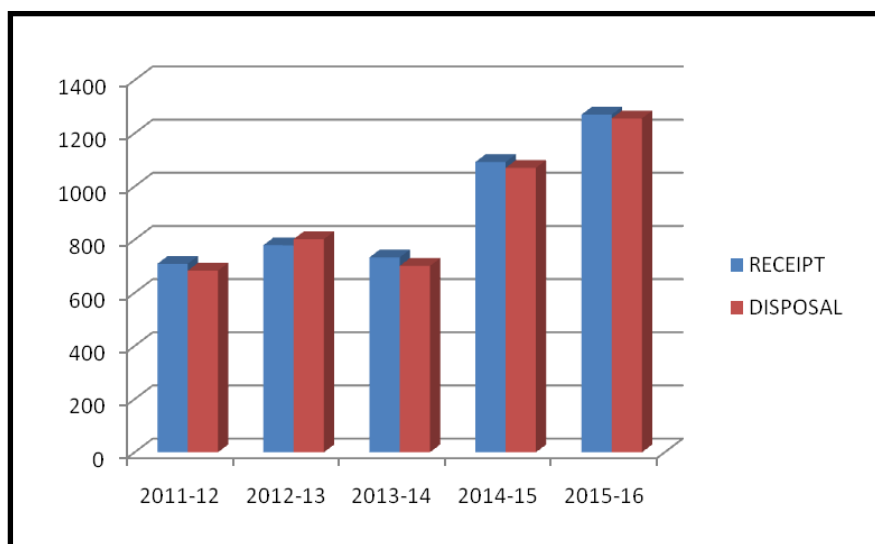

## CHEMISTRY & TOXICOLOGY DIVISION

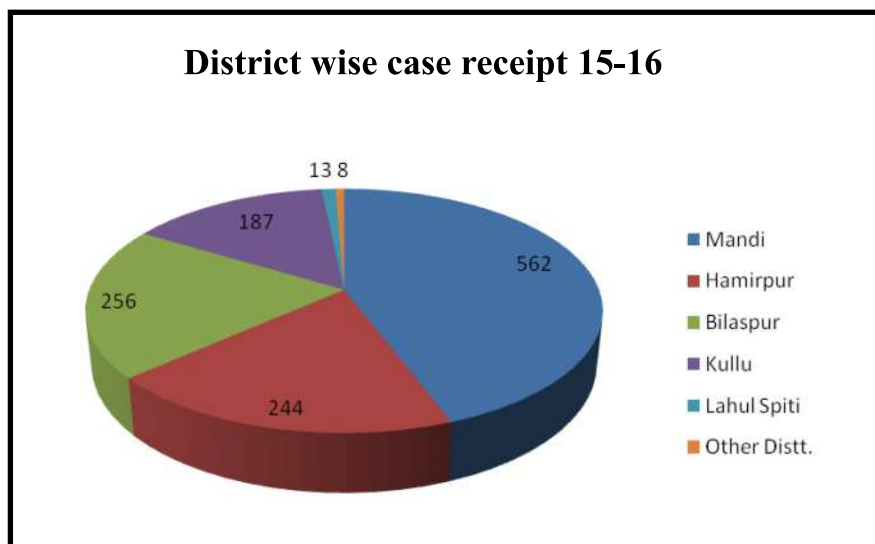

The division undertakes examination of clue materials such as:

- Poison
- Petroleum product residues in arson and dowry deaths
- Alcohol estimation from blood and urine for drunkenness
- Phenolphthalein in trap cases
- Liquor
- Methanol in hooch tragedy
- Acid & alkali attacks
- Grease, wax, oil & resin
- Cosmetic & organic dyes
- Adulteration in petroleum products
- Chemical identification of unknown substances

### CASE STATISTICS

### District wise case receipt 15-16

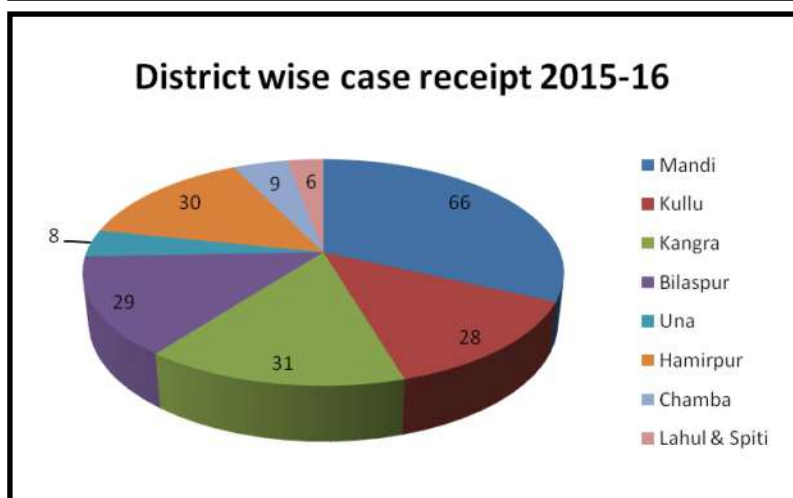

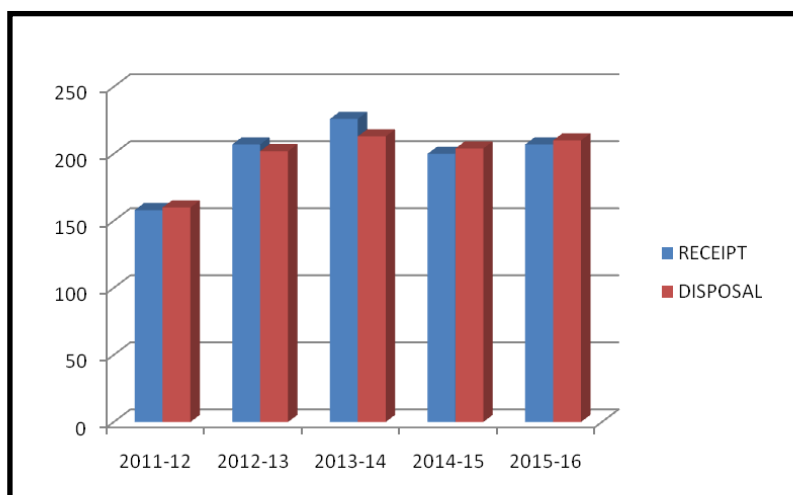

# PHYSICS & BALLISTICS DIVISION

The division undertakes examination of clue materials such as:

- Tool mark & telephone cable
- Footprint, shoe print & tyre mark
- Paint & glass
- Building material & bitumen
- Paper & fiber
- Metal adulteration in jewellery
- Soil, sand & grit
- Shining globule formation in electric short circuiting
- Resuscitation of number of stolen vehicle chassis & firearm
- Firearm, ammunition & gunshot residue etc

## CASE STATISTICS

## PROFESSIONAL EXCELLENCE

### **Dr. Arun Sharma:**

Examined a variety of cases pertaining to Hydro project: An incidence of fire in a transformer, breaking of a pen stock valve, explosion in underground tunnel, breaking of a Pen Stock.

First time examination of three cases of cedar wood oil was undertaken. A case of train accident was reconstructed and the speed of the train was calculated from video recording.

Member expert of selection committee for award of UGC-BSR fellowship to research scholars at Punjabi University, Patiala.

Expert member of Departmental Research Committee (DRC) in the Department of Genetics, MDU, Rohtak and attended the meeting.

Chairman of the committee for “Scientific Aids to Investigation” competition in Annual Sports Police and duty meet held at PTC Daroh.

Invited as guest speaker in the “International conference on Emerging Trends in Basic and Applied Sciences” to deliver a lecture on the topic “Forensic Science in the Service of Mankind” in May, 2015 at MAU, Baddi.

Invited to deliver lecture to HAS officers in the Induction Course, HIPA, Shimla on the topic “Introduction to Forensic Science”.

Invited to deliver lecture in the workshop on “Advance Scientific Investigation Technique” organized by North Eastern Police Academy, (MHA/GOI) Shillong, Meghalaya.

One student enrolled for PhD research work being a Co-Supervisor in an University.

The department has been brought under Plan Budget for purchase of major equipments.

### **Dr. Rajesh Kumar**

Document management and case management system module were developed and tested to bring efficiency in the data storage.

### **Dr. Meenakshi Mahajan**

Chairman in the practical exams for the events of Scientific Aids to Investigation in the 48<sup>th</sup> HP Police Duty Meet 2015. An old case of student death was examined for reconstruction.

Expert testimony through Video Conferencing was introduced.

Photo comparison examination work was undertaken in collaboration with CFSL (MHA/GOI).

A case registered under PNDT Act involving digital evidence was examined and solved.

### **Sh. Visheshwar Sharma**

Member (technical expert) to evaluate the approved security features of adhesive labels including holograms of HP Excise Department

### **Sh. Rajesh Kumar**

First officer rewarded with cash, DGP Disc and CC Class -1 for vital role at the scene of crime.

### **Dr. Vivek Sahajpal**

Participated in the Asian AICEF DNA Proficiency test – 2015, conducted by Academia Iberoamericana de Criminalística y Estudios Forenses (AICEF), Spain.

### **Sh. Tek Chand**

Applied R-Console free software for statistical analysis (aimed at statistical hair analysis) and SHERPA for identification and analytical comparison of diatom.

## MAJOR INITIATIVES

New specialties like Voice Identification, Digital Forensics Divisions, extension of DNA facility at Range Labs was proposed

Proposal for purchase of machinery and equipment was submitted to the Govt. under Plan budget

The business of the Govt. shall be transacted in departments specified in the Business of Himachal Pradesh (Allocation) rule 1971. Accordingly, business of the department was enumerated and got notified in the H.P. Business (Allocation) Rules, 1971.

New nomenclature Directorate of Forensic Science 'DFS' in consonance with H.P. Police Act, 2007 was proposed

Proposal for budget under Chief Minister Forensic Science Modernization Scheme was submitted to the Govt

First time tableau of the department was displayed during the state level Republic Day celebrations

Proposal for Scene of Crime vehicles under Modernization Police Force Scheme, MHA/GOI along with equipments was submitted

Proposal for Chief Minister Forensic Science Excellence & Innovation Award was submitted

Proposal for infrastructure of Disaster Victim Identification cells at State FSL & RFSLs was submitted

I<sup>st</sup> Annual Administrative Performance meeting of all officers of State FSL & RFSLs was organized with a vision: Plan for the year 2015-16, R&D, and novelty in the working so as to achieve excellence on the professional front

First time a new concept of Continuous Forensics Education (CFE) program for the officers of the department was introduced

Proposal for CCTNS facility to Range Labs was submitted

Proposal for revision of syllabus of Department Examination Rules, 1976 to include recent developments was submitted to the Govt.

Proposal for H.P. Forensic Document and fingerprints examiner Rule, 2015 was submitted to the Govt.

A Forensic Directory is in progress

Proposal for DMFU posts and infrastructure was submitted to the Govt.

Proposal for All India Forensic Science Conference was mooted

An agenda was proposed for the H.P. Police Board meeting

The matter for release of funds under Modernization of Police Forces Scheme for the year 2013-14, 2014-15 and 2015-16 was pursued with the PHQ and the MHA/GOI Govt. of India

Proposal to revise fleet strength of the department was submitted to the Govt.

The department activity was included in the Coffee Table Book prepared by the PHQ

Proposal for 15% special incentive to the staff was prepared and submitted to the Govt

First DVI workshop was organized for the Medical Officers of Distt. Kangra

Workshop on DNA profiling was organized for IOs and Police Officers of District Una

## ACHIEVEMENTS

Foundation stone of Forensic Headquarters Complex-cum-Super Specialty block and Foundation stone of staff quarters (Approx. cost 3.3 crore) at RFSL, NR, Dharamshala was laid by the Hon'ble Chief Minister, Himachal Pradesh

Infrastructure for Video Conferencing facility was created at State FSL for expert testimony with courts and made operational

A Documentary on the 25 Years Journey of Himachal Forensics was prepared and got released

Do's and Don'ts booklet for investigating officers was prepared

The flag exhibiting motto and logo of the department was got released

ICT infrastructure (HIMSWAN internet, telephone lines, EPBAX) was created and made operational  
Grant received from Govt. of India under 12<sup>th</sup> Five Year Plan to establish District Mobile Forensic Unit was utilized

First time citations in the Honor of the then Hon'ble Chief Minister for the vision, the then Head of the Department for planning/proposal and the founder Director for transforming dream into reality was prepared and presented on eve of foundation stone laying ceremony of the Forensics Headquarters

Targets of 2nd year of Five Years Perspective Plan (2014-19) were achieved and exceeded the planned targets.

Three days workshop on NABL Accreditation to check documents (Manuals, Forms and Formats) and technical capability was organized. Workshop on Quality Management and Network Security was organized at RFSL, NR, Dharamshala.

ADVI exhibition for general public was organized at the Ridge, Shimla.

An awareness workshop on "Crime Scene Investigation" was organized for supervisory officers of Central Range, Mandi.

An exhibition showing achievements of departments on completion of 2.5 years of the Govt. was organized at Una.

Bio-Medical Waste Management through scientific methods was made operational.

The Library was enriched by purchasing Rs. 1.08 Lakh worth of books.

Syllabus to fill up post of SO (DNA) was prepared and submitted to HPPSC, Shimla.

Worked on the human DNA bills and comments submitted to the Govt.

Van Mahotsav was celebrated by planting saplings at RFSL, NR, complex.

First time posts of different categories (45) of the department in one go were converted from temporary to permanent posts.

One Post of Scientific Assistant was filled up by direct recruitment.

7 cases of ACP of officers/officials were finalized.

17 cases of RTI were disposed.

Annual Administrative Report of 2014-15 was approved by the H.P. Govt.

RFD of the department for 2015, 16 was approved and uploaded on the website

**Forensics Tableau with the theme 'Forensics in Service of Mankind' at the State Level Republic Day Function 2016**

## PUBLIC AWARENESS

Public is the first to get the information, whenever there is an occurrence, followed by the police. Then comes the turn and role of the forensic experts. Accordingly, education about role of public in preserving the crime scene treasured with clues is vital. With that in mind, first of its kind in the country, important fairs in different parts of state visited by all folks were planned to be covered to disseminate forensics knowledge. Following exhibitions were organized:

Sr. No	Event	Period
1.	Exhibition at Una exhibiting achievements on completion two and half years of State Govt.	25.06.15
2.	International Minjar Fair at Chamba	26.7- 02.08.15
3.	Exhibition on the Disaster Victim Identification at Shimla	13.10.2015
4.	International Dushehra Fair at Kullu	22-28.10.2015
5.	District Red Cross Mela, Kangra at Dharmshala	1.11.15
6.	International Lavi Fair at Rampur Bushahar	11- 14.11. 15
7.	International Shivratri Fair at Mandi	07-12.03.2016

**HE Acharya Dev Vrat, Governor, Himachal Pradesh,  
at Forensics Exhibition, Dharamshala**

**Sh. Virbhadra Singh, Hon'ble Chief Minister  
Himachal Pradesh at Forensics Exhibition at Kullu**

# FORENSICS IN MEDIA

The good work done in the four walls of lab may remain buried in the records or may go unnoticed. Accordingly, media officers were nominated from each office to interact with press to convey how useful forensics is in crime investigation.
