The history of Pre-Aryan and Aryan eras is mainly based on the epics like Vedas, Puranas, Mahabharata, etc. In Rigveda, reference of Anjikyva (Beas) flowing through this area has been made. This region commonly named as *Dev Bhumi* is believed to be the birthplace of Lord Krishna. According to the *Vedas*, some non-Aryan tribes inhabited this region before the arrival of Aryans. There is a mention of Trigarta (Kangra) kingdom in

Mahabharata.

About Us

Kangra district derives its name from Kangra town that was known as Nagarkot in ancient times.

DDMA

Kangra District Disaster Management Authority (DDMK).

Tourism

Himachal is nature's paradise, replete with beautiful landscape, river catchments and forest wealth.

Notice Board

Planning Service Area Plan of District Kangra (HP).

Annual Property Returns Patwaris & Kanungos.

JCC Meeting Proceeding held on 24-07-2012 Kangra (HP).

- **Lease Register** : The software has been implemented and the data is being updated by the user. Till date all the lease cases has been entered in the software.
- **Lok Sabha Election** : Support has been provided to the District Administration for the randomization of polling personnel data for election duty and for the counting process.
