## Project Description Manav Sampada - Himachal

The "Manav Sampada" has been developed with the objectives of Good and Green Governance. The application is a complete HR solution for massive manpower resource of the Government of Himachal Pradesh and provides integration with various applications as e-Salary, e-Gatg, e-Samadhan, e-Sameesha, e-Attendance, e-Sanchalan, e-PDS along with user authentication and master data. This application provides features like Online ACR, APR, Salary and Compensation Management to the departments. It creates an HR related databases for analyzing the skill set of each employee by collecting the information like salary, skill set, compensation, personal details, demographic information, and other detailed relevant information. The online eService book on the Internet supports Governments effort to bring transparency in a user-friendly interface for use by both the department and Government employees.

The screenshot shows the login page for the Manav Sampada system. It includes a header with the Government of Himachal Pradesh logo and the text "A Green Governance Tool for Human Resources & Financial Management". Below the header is a login form with fields for Department, Login ID, and Password, along with a "Login" button and a "Forgot your password?" link. To the right of the login form is a "Notice Board" section displaying a table of the latest 50 orders from various departments. The table has columns for S.N, Dept, Order Date, and Order Description (Order No/Year). Below the notice board are several navigation links such as "View Property Return", "View eService Book", "Birth Day Wishes", "Search Transfer/Promotion Orders", "View Transactions", "Telephone Directory", "Department wise Data Entry Status", "GIS - Health Institution Location", "Vacancy Position", "Dashboard - Manpower Planning", "Online ACR-Health Department", "Downloadable Performances", "Procedure for eServiceBook Movement", "Procedure for Verification of Service Records", "Manav Sampada Scope and Features", "Result Achieved/Value Delivered to Beneficiary", "Letter from Chief Secretary for implementation of the Software", "Training Schedule for all departments", and "Training Schedule for Boards/ Corporations/Leftout departments". At the bottom, there are links for "E-Gazette", "eSalary-Himkosh", "Civil List", "Job Portal", "Contact Us", "Orders/COS Proceeding", and "NIC District Centres".

S.N	Dept	Order Date	Order Description (Order No/Year)
1	AYUR	07/10/2014	597 / 2014-Transfer of Dr. Kuldeep Dhill
2	HFW	07/10/2014	4929 / 2014-Modification of posting order of MDS
3	HFW	07/10/2014	4926 / 2014-Transfer Order of Dr. Shivela Bai Chawhan & Dr. Suresh Mahajan, MD Dental, D. 1, 10, 14
4	HEDU	07/10/2014	5618 / 2014-EMO-MNO Transfer of Class-IV Maya Devi from 4444-Bal, Chowk, to 5525-Haldw
5	HEDU	07/10/2014	5247 / 2014-EMO-MNO Transfer Class-IV Hem Singh from 6556-Sarnand to GHS-Buhal
6	HEDU	07/10/2014	5653 / 2014-EMO-MNO Transfer of Class-IV Shaktima Devi from GHS Parso to 6556-Haldw
7	AYUR	07/10/2014	598 / 2014-Order of Dr. Sanjay Kumar, MMD
8	HEDU	07/10/2014	5616 / 2014-EMO-MNO Transfer Class-IV Suniti Devi from 6556-Sarnand to GHS Parso, Sota
9	HFW	04/10/2014	4924 / 2014-Appointment Order of Dr. Lallesh Gupta, MD (Ortho)
10	HFW	04/10/2014	4923 / 2014-Transfer order of Dr. Sanjay Kumar, MD (Orthopaedic)
11	HFW	04/10/2014	4921 / 2014-Transfer Order of Dr. Anita Sharma, MD (Orthopaedic)

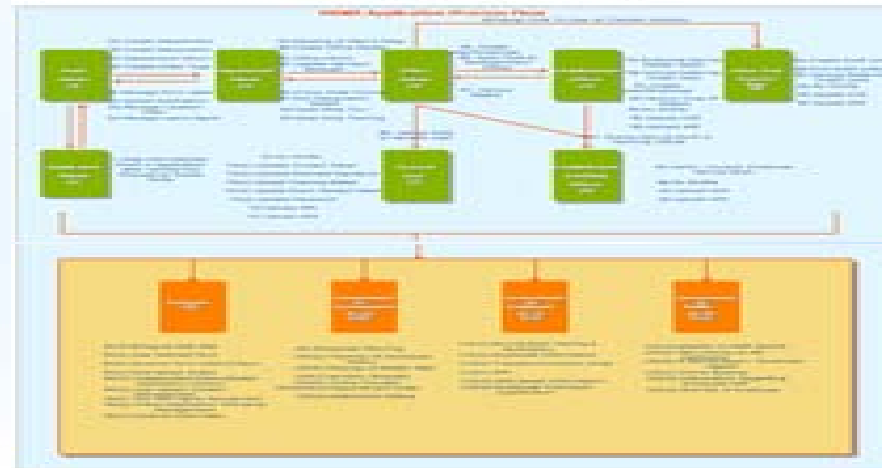

The screenshot shows the user dashboard for SHARDA CHAUHAN. It features a header with the Manav Sampada logo and the text "A Green Governance Tool for Human Resource & Financial Management". Below the header is the user's name and designation: "Department of HEALTH AND FAMILY WELFARE" and "Posted At: Shimla, Directorate of Health and Family Welfare (DHS)". The user is logged in as "10003- SHARDA CHAUHAN, Junior Assistant". A navigation menu includes "Initialization", "eServiceBook Master", "eServiceBook Transaction", "Reports/Queries", "Transfer/Promotion", and "My Profile". A "Main Menu" section is visible. The dashboard is divided into two main sections: "Employee Personal Information" and "Employee Address Information". The "Employee Personal Information" section displays the user's name, date of birth (02 Nov 1969), date of retirement (30 Nov 2027), eSalary Code (IP01-16118), gender (Female), employee type (Regular), designation (Junior Assistant), parent department (HEALTH AND FAMILY WELFARE), current office (Shimla, Directorate of Health and Family Welfare (DHS)), current department (HEALTH AND FAMILY WELFARE), and establishment office (Shimla, Directorate of Health and Family Welfare (DHS)). The "Employee Address Information" section is currently empty. To the right of the personal information is a "My Profile" section with buttons for "ACR", "APR", "Training Detail", "Contact Detail", "View eService Book", "Salary Detail", "Exam Passing Detail", and "Change Password".

The screenshot shows the "Query & Report" and "New Transaction" sections of the user dashboard. The "Query & Report" section includes buttons for "Know Your Establishment" and "Data Entry Status". The "New Transaction (Only for verified records)" section includes buttons for "Transfer/Retirement/Relieving/Joining", "Service History Detail", "Award Detail", and "Leave Application/Leave Detail".

## Project Description - eHRMS Product Model

The eHRMS Application was developed as the product model for providing a generalized human resource management solution for Government Departments to help them in taking right decisions at right time and for proper monitoring, manpower planning, recruitments, Postings, Promotion and Transfer based on employee skill sets. The project was initially implemented in the State of Himachal Pradesh which resulted in improvised management of human resources. "Manav Sampada" was not only the solution to manpower planning but its integration with other applications extended its ambit to various other Government G2G, G2E and G2C services. The Himachal Model was further strengthened by the DietY, Government of India for its nationwide replication as Product Model with enhanced features as per eGov Standards. The efforts were successfully replicated in the State of Jharkhand, Bihar Forest Department and Human Right Commission, New Delhi, Punjab, Maharashtra and initial discussion are on with State of UP, Chandigarh and Telengana.

# Project Description -eRCMS

ePDS- ERCMS- Ration Card Digitization Application - Customized by NIC-HP Team as per the state specific requirements.

(URL: //admis.hp.nic.in/himpds).

The application is further enhanced with dynamic dashboards, Online UID authentication and integration with SIMS, PMIS databases. It provides the complete process flow based features for ration card digitization, verification by the inspectors, modification and printing of the ration cards. The user can drill down reports to lowest level and can view family wise ration card detail of any FPS. The present status of ration card digitization is as follow:

## Project Description- Work MIS (IPH)

Work MIS- It is a role based application. It helps the higher authorities to “Monitor” the pictorial and financial progress of a developmental scheme and the users of the IPH Department, Govt. of HP in the “Execution” of Works. The Execution of work begins with uploading of the measurements recorded in the measurement book (MB) into the web application by the JE of an IPH Section, followed by checking and verification of this record by the concerned Assistant Engineer posted in the IPH Sub-Division. This facilitates in the online generation of Sub-Divisional monthly account. Finally, the Executive engineer and his divisional office comes into the picture , which helps in the online generation of Divisional monthly account. The other levels which are higher to division, like circles, zones, head office and the Secretary office only monitors the development and progress of various schemes in place throughout the state. They also ensure the allocation of budget to the lower offices, for the smooth functionality of schemes.
