

Websites Development, Cloud coordination

- Websites design, development, hosting and cloud coordination is ongoing activity
- Coordination with web information managers or websites users for website publishing, web server, VPN for about 70 static and dynamic websites
- Websites contents updating for some of the websites through VPN remote publishing and through CMS
- Free text search with in .PDF files implemented for CMS based websites

Cyber Security Audit

- Cyber security audit for all websites and software applications coordinated with development team and cyber security division (CSD)
- Website security audit for all static websites is done locally at NIC-HP and put up to CSD for final audit clearance
- For dynamic websites/ application software, it is coordinated for in-house and third party audited websites for all stakeholders and involves getting of staging servers, production servers and VPN accounts

Integrated Online Hotels Reservation System

- Next Generation Online Hotels Reservation System software developed using .NET and MS SQL Server on windows platform and hosted on cloud data centre at Shastri Park
- Software has been upgraded and additional features like integration with Mobile App and with all popular online travel portals like Yatra, Via, TravelGuru, Goibibo, ClearTrip etc. thru AxisRooms channel manager
- The software has latest industry standard public interface for easy online access

eGazette – Online Official Gazette

- Software system publishes the official Gazette (Rajpatra) of Himachal Pradesh online
- Gazette is digitally signed and PDF/A compliant
- Departmental users upload Notifications online and Printing & Stationery department publishes these in the Gazette
- Corrigendum module, previous Gazette & Public interface of the searching Gazettes are proposed to be developed

The screenshot shows the official website of the Department of Printing and Stationery, Govt. of Himachal Pradesh. The header includes the department name and the text 'Published Since 1st of August, 2007'. It also displays statistics: 'Total No. of Notifications : 18186' and 'Gazettes : 1970'. A search bar is titled 'Search Digital Gazette for Notifications'. Below the search bar are several input fields: 'Department' (a dropdown menu), 'Notification Number', 'Subject / Keywords', 'Date between' (with calendar icons), 'Language' (radio buttons for Hindi, English, and Both), and 'Category' (a dropdown menu). A 'Verification Code' section features a 'TXDP9' logo and a text box with the instruction 'PLEASE ENTER ABOVE CODE'. On the right side, there is a logo for 'eGazette Mobile App' and a link to 'Download Android App to view latest Rajpatra (Gazette) Notifications'. The background of the website includes a banner with the text 'राजपत्र हिमाचल प्रदेश हिमाचल प्रदेश राज्य शासन द्वारा प्रकाशित' and a logo of Himachal Pradesh.

**Gazette is published only Online
from 1st August, 2007 onwards**
