(*Online birth/death registration is effective in the state from Nov. 2015 in the State)

General Response of the Public towards RBD Act

The registration of Birth & Death is not new for the State of Himachal Pradesh. People are very conscious to get the events registered occurred even before the implementation of the Act. However, some new provisions have been made and amendments/modifications have also been done to facilitate the masses. It has been made mandatory to issue a free certificate (Under Section12).

DIFFICULTIES ENCOUNTERED IN THE IMPLEMENTATION OF THIS ACT

Since the Act is being implemented at the grass-root level by the Panchayat and thereafter by Block Development Officer who is also a Specified Officer (Birth & Death) under RBD Act, 1969. It is noticed that some of the Local Registrars-cum-Panchayat Secretaries in concerned Panchayats may not be posting vital events (birth & death) online regularly. With the active co-operation of Rural Development & Panchayati Raj and Urban Development Departments, the numbers of non-reporting units have been minimized. Now all District Panchayat Officers have also been notified as Nodal officer (Birth & Death) to improve the online birth & death registration level in the State. Moreover, shortage of manpower in most of the health institutions across the State including State and District headquarter is also affecting the routine working of Online CRS which is a big hurdle in the way of achieving 100% online registration of vital events. It is required to have sufficient funds/budget for smooth and effective implementation of the Civil Registration System in the State.
