How to navigate to the 'Vehicle Scrapping Policy' page

The screenshot shows the homepage of the National Single Window System. At the top, there are navigation links for 'About', 'FAQs', 'Guide', and 'Contact', along with a language selector set to 'ENG'. The main navigation bar includes 'National Single Window System', 'CENTRAL APPROVALS', 'STATE APPROVALS', and 'GOVERNMENT SCHEMES'. A callout box with a white background and black text says: "Hover cursor on 'Government Schemes' and click on 'Vehicle Scrapping Policy'". An orange arrow points from this box to the 'Vehicle Scrapping Policy' option in the dropdown menu under 'GOVERNMENT SCHEMES'. Other menu items include 'Ethanol Policy', 'Indian Footwear and Leather Development Programme (IFLDP)', and 'National Programme on High Efficiency Solar PV Modules under PLI scheme'. The main content area features a banner with the text: "Access over 599 Central Approvals and 4050 State Approvals. Explore, Apply and Get all the approvals required to start your business." Below this is a search bar and a link: "Don't know which approvals are required? Click Here & Know Your Approvals". A quote from Hon'ble Prime Minister Narendra Modi is also visible.

The screenshot shows the 'Vehicle Scrapping Policy' page. The page title is 'Vehicle Scrapping Policy' with a subtitle: "Special scheme aiming to create an eco-system to phase out unfit and polluting vehicles in an environmentally-friendly manner." A prominent orange button labeled 'Apply for Scheme Related Approvals' is highlighted with a callout box that says: "Click on 'Apply for Scheme Related Approvals' to open up mandatory scheme KYA (Know Your Approvals) to identify the relevant approvals". Below the button is a navigation menu with tabs for 'About', 'Important Links', 'Faqs', and 'Contacts'. A callout box points to this menu, stating: "Users can select any tab to view further information". The 'About the Scheme' section is partially visible, starting with an information icon and the text: "This policy will help phase out unfit and polluting vehicles in an environment-friendly manner. The Voluntary Vehicle-Fleet Modernization Program (V-VMP) or 'Vehicle Scrapping Policy' is primarily aimed at creating an eco-system for phasing out of unfit and polluting vehicles in an eco-friendly manner. The policy targets voluntary scrapping of unfit commercial and passenger vehicles strictly based on their fitness, irrespective of vehicle".

How to identify approvals through 'Know Your Approvals' (KYA) questionnaire

Know Your Approvals - Scheme

Choose your desired state

STEP 1 Application Details

1 Please choose the state(s) you would like to commence operations in :

Uttar Pradesh

1.1 If Selected 'Uttar Pradesh' Please choose the facility you would like to set up

Registered Vehicle Scrapping Facility (RVSF)

Registered Vehicle Scrapping Facility (RVSF)

Automated Testing Station (ATS)

Submit to Know Your Approvals

Reset Form
