These officers shall exercise their option(s) for fixation of pay under the provisions of FR-22 within one month from the date of issuance of this Notification.

The aforesaid officers will submit their joining as Principal (School-Cadre) in the O/o concerned Deputy Director of Secondary Education by submitting the joining report by e-mail or in person, the Deputy Director concerned shall compile the list and submit the same to this Department through the Director of School Education within 15 days from today. However, they shall continue to perform their duties as Lecturer(s) at their present place of postings respectively till the completion of the present academic session in the interest of students. This is required as the mid academic session transfer/shifting of 779 Principals (from Headmaster and Lecturer cadres) will disturb the academic activities in schools and will affect the studies of the students adversely. It is however clarified that they shall be entitled for all the benefits of the post of Principal from the date of joining in the O/o Deputy Director.

Further, posting orders as Principal will be issued separately after the completion of current academic session.

Further, their salary as Principal shall be withdrawn from any vacant post of the Principal by the Director of School Education.
