

No. EDN-(SE)-H-(Sports-27)-Gen.- 2025-26
Directorate of School Education
Himachal Pradesh

Dated Shimla-171001

To

All the Dy. Directors of School Education
(Secondary/Elementary/Quality)
Himachal Pradesh.

Subject: Regarding prior approval for Scouts & Guides activities within state/out of state and deputation of teachers thereof.

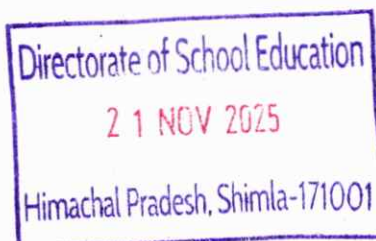

With reference to subject cited above it has come to the notice of this Directorate that the Dy. Directors of School Education are deputing the teachers in the activities of **Bharat Scouts & Guides both within the State and outside the state** without prior permission from this Directorate. Keeping in view the maintenance of academic standard and imparting quality education amongst the students in the schools of the state, it is necessary that teachers should always be available in the schools so that studies of students may not be suffered. As per norms 220 teaching days are necessary in any academic year to be observed in the school, as this department is firmly committed to provide quality education to the students studying in the Govt. Schools of the state. When the teacher is deputed out of the school, the studies of students are affected adversely. Hence, the department emphasizes that under no circumstances should teachers be absent from school and 220 academic days should be completed in an academic year. Accordingly the presence of teachers in schools is essential to ensure that students education is not compromised at any cost.

Therefore, keeping in view the above, it has been decided that no teacher or group of teachers should be deployed both within the State and out of state for any activities, **deputation (Scouts & Guides)**, training programmes, seminars or any such engagements except duties/workshops conducted by Samagra Shiksha, without prior permission of this Directorate. Any lapse to this effect will be viewed seriously and these instructions may be adhered to strictly in letter and spirit.
