Directorate of School Education  
Himachal Pradesh

Dated Shimla-171001

To

All the Dy. Directors of School Education  
(Secondary/Elementary/Quality)  
Himachal Pradesh

**Subject: Instructions related to deputation of teachers to visit outside the state.**

With reference to subject cited above it has come to the notice of this directorate that the Dy Directors of School Education are deputing the teachers outside the state for various purposes without prior permission from this Directorate. Keeping in view the maintenance of academic standard and imparting quality education amongst the students in the schools of the state, it is necessary that teacher should be always available in the school so that studies of students cannot be suffered. As per norms 220 teaching days are necessary in any academic year to be observed in the school, as this department is firmly committed to provide quality education to the students studying in the Govt. Schools of the state. When the teacher is deputed out of the school, the studies of students are affected adversely. Hence the department emphasizes that under no circumstances should teachers be absent from school and 220 academic days should be completed in an academic year. Accordingly the presence of teacher in school is essential to ensure that students' education is not compromised in any cost.

Therefore, keeping in view the above, it has been decided that no teacher or group of teachers should be deployed out of state for any activities, training programmes, seminars or any such engagements except duties/workshops conducted by Samagra Shiksha, without prior permission of this Directorate. Any lapse to this effect will be viewed seriously and these instructions may be adhered strictly in letter and spirit.
