Sir,

It has come to the notice of the Department that the students are not attending their schools in gap period for one paper to another paper and so on during the course of annual examinations which appears a wrong practice. In this context, it is imperative to state here that such breaks to the students may adversely affect their Scholastic temperament. In view of the above following instructions are hereby issued for implementation by all schools in letter & spirit in the State.

2. The teachers will guide and prepare the students for next paper during gap period for one paper to another paper in schools.
3. After completion of the papers of annual examinations, the teachers will either make revision of existing class syllabus/curriculum or prepare the students for next classes till the declaration of final result.
4. The students may be involved in sports, cultural activities and co-curriculum activities as per the instructions/guidelines issued by the Department from time to time after the completion of annual examination till the declaration of final result.
