D.O. No. NYPS/1/2024-YP-II

Date : 24 May 2024

Dear Chief Secretary,

The Ministry of Parliamentary Affairs has been organizing Youth Parliament Competitions since 1966 in various educational institutions of the country in order to strengthen the roots of democracy, inculcate healthy habits of discipline, develop tolerance of divergent views and familiarize the student community with the procedures and functioning of Parliament. The noteworthy objectives of the Youth Parliament programme have been lauded by all quarters including parliamentarians, academicians, school administrators, etc. In the past, many requests have been received to involve more institutions under the programme of the Ministry. Therefore, to increase the coverage under the Youth Parliament Programme of this Ministry to hitherto untouched sections and corners of the country, the Ministry designed a web-portal for the National Youth Parliament Scheme (NYPS) in 2019. The web portal was launched on 26<sup>th</sup> November, 2019 in Central Hall, Parliament House, New Delhi by the Hon'ble President of India in the august presence of the Hon'ble Prime Minister, other Ministers and Members of both the Houses of Parliament.

At present, the registration for the 4<sup>th</sup> Edition on the NYPS portal is underway. The web portal allows all recognized educational institutions of the country to register on the portal and organize Youth Parliament sittings. The portal can be accessed at <https://nyps.mpa.gov.in/>. The salient features of the web portal are:-

- All recognised educational institutions of the country are eligible to participate in this programme.
- The registration for participation is done by the educational institution itself on the web-portal.
- E-training modules, videos, photographs and scripts in connection with Youth Parliament are available on the portal for online self-learning of the participants.
- After successful registration, the educational institutions will be able to conduct youth parliament sittings in their respective institutions.
- Each student taking part in the sitting will get a Digital 'Certificate of Participation' and the Teachers-in-charge and Head of Institution will get a 'Certificate of Appreciation' through the web portal.
- Each institution is allowed to conduct multiple Youth Parliament sittings through separate registrations for separate batches of students.

I would, therefore, like to request you to issue necessary directions to the concerned authority to involve a large number of educational institutions of your State/UT in participating in the web portal-based National Youth Parliament Scheme (NYPS) of this Ministry regularly.

In addition, the State Education Boards and other relevant organisations could be requested for considering inclusion of Youth Parliament Programme as an extra- curricular activity/project work in Educational Institutions.

It is further requested that a Nodal Department/Officer to provide the names of institutions and their respective email IDs within the State/UT may be provided which will enable us to send detailed email communications for facilitating their participation in the web portal-based National Youth Parliament Scheme.

*With warm regards,*

Yours sincerely,

(Umang Narula)
