All the Deputy Directors School Education,  
Elementary, Secondary & Quality,  
Himachal Pradesh.

Subject:- **Directives for surprise visits and inspections in Government schools and strict adherence to Government instructions.**

The undersigned was on a surprise visit to the Government Senior Secondary School, Khalini, District Shimla, on September 9, 2025. During the visit, it was observed that the Principal of the school was absent on September 8 and 9, 2025, without informing the Deputy Director, Shimla. The Deputy Director of School Education (Secondary), Shimla, has also confirmed that no permission for leave was sanctioned.

It was also observed that the Lecturers of Political Science and History were teaching with the help books in the classroom. This is against the Government instructions previously issued vide letter numbers dated August 18 and August 20, 2025. Taking a serious view of these instances, the Hon'ble Education Minister has directed to direct all Deputy Directors of School Education (Elementary, Secondary, and Quality) to regularly conduct surprise visits and inspect schools. It is also directed to initiate strict action against teachers who violate Government directives.

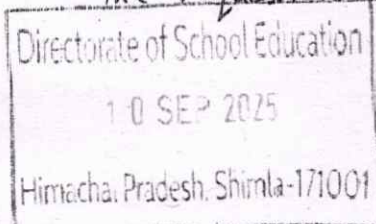

The compliance with these directives will be reviewed in the forthcoming meeting of the Hon'ble Education Minister, tentatively scheduled for September 16, 2025.

Director School Education,
