OFFICE MEMORANDUM

Subject:- Expedited settlement of pension cases.

The undersigned is directed to invite a reference on the subject cited above and to say that with a view to ensure timely settlement of pension cases necessity to follow the prescribed rules and procedures governing the payment of pension has been emphasised upon all concerned from time to time. A time schedule for processing and forwarding pension cases to Accountant General H.P. has also been prescribed under the CCS(Pension) Rules.

In order to ensure that the payment of pension should in all cases, commence on the first of the month in which it is due, progress of pension cases is required to be watched by the Heads of Offices/ Heads of Department by means of prescribed statements so that various cut-off dates laid down are strictly followed. A system of monitoring these cases both at the level of Finance Department as well as at the level of Heads of Departments has already been prescribed and in any case where payment of pension is delayed, has to be viewed seriously. The causes of delay have to be identified and remedial steps taken so that such delays should not occur in future.

A time table which can be followed by all Heads of Offices/ Heads of Departments is enclosed which would ensure that the papers get processed in time and a State Government employee retiring gets his P&G dues on his retirement.

Administrative Departments are requested to instruct all offices under their control suitably to follow the
