Subject:- Counting of period spent on training before appointment to service as qualifying for pension.

The undersigned is directed to say that the Governor, Himachal Pradesh is pleased to order that in case of Class-III and IV employees, who after appointment to a post are required to undergo prescribed departmental training relating to their job before they are put on regular employment, training period may be treated as qualifying service for pension, if the training is followed immediately by an appointment. This benefit will be admissible to all Class-III and IV employees even if the officers concerned are not given the scale of pay of the post but only a nominal allowance.

2. This decision will come into force with effect from 31-12-1983.

3. To avoid mistakes, two samples are given.

The above benefit will be available to the Naib Tehsildars, who after selection as such are required to undergo departmental training before they are posted as regular Naib Tehsildars. The benefit will not be available to persons who undergo JBT training, as this training is a mere training, and appointment to a JBT post is made subsequently from among the trained persons.
This decision may kindly be brought to the notice of all offices under your control for their guidance and compliance.
