Subject: Compulsory student attendance recorded on e-Samwad Application.

Sir,

As you are well aware that e-Samwad application is used for multiple purpose in all government schools across the state, including registration of students, recording assessment data and sending SMS to parents. To streamline attendance records of students, all the school heads are hereby directed to record attendance of each student daily on the e-Samwad app. Attendance marked digitally on the e-Samwad application will only be considered official.

In case of problem in recording attendance through the app (either online or offline), attendance on register can be recorded and screen shot of the same be shared with DDEE of the respective District before 10:15 AM. Reason for non-recording of attendance on e-Samwad application should be recorded on register also.

Personal attention may be given to the matter and treat it as most urgent. The respective information is to be shared with all the schools in the district to ensure that 100% attendance is being marked on the e-Samwad app.

Yours faithfully,
