2. However, it has been observed that the instructions contained in the Office Manual are not being followed in letter and spirit. Recently, an instance came to the notice of the Hon'ble High Court of H.P. wherein, the noting sheet had been pasted over. Hence, it is directed that in case old notes require amendment/modification, addition/deletion/substitution because of factual errors or any other reason or there is some printing deficiency, then instead of pasting it over, it should be cancelled by putting a cross mark and fresh notes be generated. In no case, such methods of over writing or pasting over of the noting sheets should be resorted to, which might indicate tampering of record of handwritten or computer-typed notes/comments/proposal.

3. These instructions be brought to the notice of all concerned for strict compliance. Any departure or deviation shall attract disciplinary proceedings apart from criminal action against the defaulter(s).

Yours faithfully,
