Subject:-

Regarding training of un-trained in-service teachers working in Govt. / Govt.Aided / Private Schools, verification thereof.

Sir/Madam,

This is to inform you that NIOS has informed this office that the last date for the verification of registration by the concerned Principal of those un-trained in-service teachers who have registered themselves for Online D.El.Ed. Course through NIOS has been extended till the end of this week.

In view of the above, you are therefore requested to issue necessary directions to all the Principals of Govt. / Govt.Aided / Private Schools to ensure the verification of the registration of those in-service teachers who have applied for Online D.El.Ed. Course through NIOS till the end of this week positively. New Principals who are verifying the registration for first time can also register themselves for verification under Principal login.

It is also pertinent to mention here that this is the last opportunity for such un-trained teachers to complete the D.El.Ed. course. Those who do not acquire the required minimum qualification would not be allowed to continue in service after 31st March, 2019 as per NCTE norms / guidelines.

Please treat it as most urgent and time bound matter.
