Subject:-

Regarding filling up of 700 posts of JBT teachers in Primary
Schools.

Sir,

It is to inform you that in view of the directions passed by the Hon'ble Admn.Tribunal on 24.05.2017 in OA No.1903/2017 titled as Kanchan Kumari & ors. vs State of H.P. & ors. regarding filling up not more than 50% vacancies of JBTs including backlog from the reserved categories, the matter was submitted to the Govt. for clarifications.

The AD further took up the matter with the Department of Personnel, who opined as under:

"Examined. It is clarified that the shortfall of reservation of a particular reserved category in a cadre means the difference between the 'total number of reserved posts for that category in the cadre and the number of persons of that category appointed by reservation and holding the posts in the cadre'. Whereas, the backlog reserved vacancies of a category are those vacancies which were earmarked reserved for that category in an earlier recruitment year but remained unfilled in the previous recruitment attempt on account of non availability of suitable candidates belonging to that category and are still lying unfilled. Therefore, it is for the department to ensure whether the backlog of respective reserved categories have been worked out in a proper manner?"

Further, the ceiling of 50% reservation on filling up of reserved vacancies would apply only to the vacancies which arise in the current year and the backlog reserved vacancies of SCs, STS and OBCs would be treated as a separate and distinct group and would not be subject to any ceiling".

2. An OA No.1896/2017 titled as Monika & ors. vs State of H.P. & ors. has been filed before the Hon'ble Administrative Tribunal against fixing same date for counselling for all Districts, for filling up the posts of JBT teachers.
