## H. P. CIVIL DEFENCE

The Civil Defence Organisation in Himachal Pradesh acts as an adjunct to the Home Guards Organisation. Until 1962 the policy of the Government of India was confined to making the States and Union Territories conscious of the need for the Civil Defence measures and to keep Civil Defence plans prepared for major Cities and Towns. The Indo-Pak War of 1965 led to rethinking about the policy and scope of Civil Defence and revised Civil Defence policy was put in place. The usefulness of Civil Defence organization was proved during war with Pakistan in December 1971 and it has been maintaining its preparedness ever since then.

### **AIMS & OBJECTIVE OF CIVIL DEFENCE:**

- (a) To protect/save life.
- (b) To minimize damage to property.
- (c) To maintain continuity of production uninterruptedly.
- (d) To maintain the morale of general public.

Civil Defence and Home Guards Department plays an important role in reducing the impact of disaster. The Civil Defence Act, 1968 has been accordingly amended in 2009 by including civil Defence measures taken for the purpose of disaster management, before, during or after any disaster.

As approved by the Government of India, Shimla is the only Civil Defence town in the State. However, the civil defence setup is to be revamped and made district centric as per GOI policy under the scheme for revamping of Civil Defence in the country Shimla District is categorized as a multi hazard district (MHD), apart from this, eight districts namely Chamba, Bilaspur, Kullu, Mandi, Solan, Sirmour, Kangra and Una have been designated as most vulnerable districts (MVD) by the Ministry of Home Affairs, GOI, in the country.
