Subject: -  
Scheme for outsourcing of vehicles' requirements in
Govt. Departments at District level.

Sir,

As you are aware, a number of Departments in the State
have been outsourcing transportation services by hiring taxis. It has been
noticed that many a times, especially at the field level, after the
condemnation of the Govt. vehicle, the concerned Departments wish to hire
taxi but are not well versed with the procedures, leading to delays in such
hiring. While Rules 112 to 121 of HPFR-2009 prescribe the broad outline
for outsourcing of such services, a need has been felt to formulate a scheme
to facilitate hiring of taxis by different Government Departments at the
District level. Enclosed please find a scheme in this regard which outlines
the criteria for hiring of taxis at the District level as well as the procedure to
be followed thereof.
2. As stated in the enclosed scheme, the concerned Deputy Commissioners will do the tendering for hiring taxis for different Departments in the Districts. In case of larger districts, the Deputy Commissioners may, however, authorize Sub-Divisional Officers (Civil) to undertake this exercise for their respective jurisdictions. The procedure for tendering has been explained in the scheme.

3. This scheme will become effective with effect from 1st January, 2011.

4. It is requested that necessary action as per this scheme may be taken accordingly.

Yours faithfully,

Special Secretary (Finance-Exp.) to the Government of Himachal Pradesh
SCHEME FOR OUTSOURCING OF TRANSPORTATION SERVICE IN GOVERNMENT DEPARTMENTS AT THE DISTRICT LEVEL

Objective:

1. A number of Departments in the State have been outsourcing transportation services by hiring taxis. While Rules 112 to 121 of HPFR-2009 prescribes the broad outline for outsourcing of such services, a need has been felt to formulate a scheme to facilitate hiring of taxis by different Government Departments at the District Level. The scheme outlines the criteria for hiring of taxis as well as the procedure to be followed thereof.

Makes of Vehicles to be hired:

2. The hiring of taxis should be for cost effective versions of vehicles. Diesel vehicles should be preferred over the petrol vehicles. Relatively cheaper models like Indica, Alto, Maruti 800 etc. may be chosen as Staff Cars. In the category of utility vehicles, Bolero, Scorpio etc. may be preferred only where there are requirements of field visits.

Who will be entitled for attached taxi(s)?

3. The District level Officers of the Government Departments as are presently entitled for attached vehicles alone may be considered for attached taxis. No other Officer will be allowed an attached taxi without the approval of the Government.

No hiring beyond approved Fleet Strength

4. The existing approved fleet strength of the Departments will remain unchanged and taxis hired by the department on a regular basis will be included for the purpose of working out the fleet strength of the Departments. Thus, the Departments will not be allowed hiring of vehicles beyond the existing approved fleet strength.

It is also clarified that combined casual need based hiring of taxi(s) for 180 days or 18000 KM in a year, whichever is applicable, will also be counted as one vehicle for the purpose of calculating fleet strength.
Budget

5. The Departments will meet their expenditure on account of taxis from the existing budget provided under SOEs-“Motor Vehicle” and “Office Expenses”. No additional budget will be provided for the purpose. However, the departments which report substantial savings under the SOE- “Salaries” may seek re-appropriation of the reported savings to meet the expenditure on account of using taxis.

Charges recoverable for private journeys from the officers sanctioned attached taxis

6. The present norms regarding entitlement of officers for private journeys, allowed for Govt. vehicles, will also apply mutatis mutandis for attached taxis. The attached vehicle charges for use of taxis therefore will also continue to be recovered at the same rates as are applicable to Govt. vehicles.

Whom to approach for hiring of taxis?

7. The tendering for selection of Taxi Service Providers will be done by the Deputy Commissioners concerned for their respective Districts. In the case of larger districts, the ‘Deputy Commissioner’ may, however, authorize Sub-Divisional Officers (Civil) to undertake this exercise for their respective jurisdiction.

Procedure for Tendering

8. The Deputy Commissioner(s)/ Sub-Divisional Officers (Civil) will follow the procedure as laid down in Rule 112 to 121 of Himachal Pradesh Financial Rules, 2009 while doing the tenders for selection of Taxi Service Providers and fixing of the hire charges.

Two Model Tender documents for hiring taxis are enclosed for guidance of Deputy Commissioners/SDOs. The First Template (Template I) may be used where taxis are required to be hired in a relatively large number /on a continuous and long term basis and the market in terms of service providers is well developed. The template for such cases is a detailed one bringing out scope of work, terms & conditions, pre-qualification requirements, etc. The Second Template (Template-II) can be used where
the hiring is to be done on a casual limited basis and where the local conditions and requirements do not merit putting stringent prequalification criteria. Both these documents can, however, be suitably modified keeping in view the local conditions and departments' requirements.

9. A senior level officer at the District Level in each of the Departments hiring taxis may be designated as Nodal Officer for better coordination with the Taxi Service Provider. He will also be responsible to regulate the taxi services being offered in order to arrange the efficient service for department use. All the users of the taxis will route their complaints, if any, regarding quality of services through the Nodal Officer of the concerned Department for appropriate action.

10. The Departments hiring taxis will maintain taxi-wise record of hire charges in an appropriate format recording the name & designation of the officer using the vehicle, monthly usage of taxis in kms/ hours, charges paid for normal use, night halts, recoveries, if any effected for deficiency in services etc. The Departments will invariably seek a copy of the log book along-with the bill from the Taxi Service Providers to identify the usage of vehicles.

A consolidated record of vehicles hired on casual need basis will, also be maintained in order to work out the exact Kilometers/number of days for which vehicles have been used in an year to prevent indiscriminate use and to work out the fleet strength of the department in real terms.

11. If any difficulty arises in the implementation or interpretation of the provisions of this scheme, the matter may be referred to the Finance Department for clarification/advice.
