

PERSONAL ATTENTION

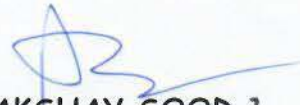

Government of Himachal Pradesh  
Finance Department  
( Expenditure Control-II )

.....

Subject:- Replacement of old condemned/auctioned vehicles  
- Approval of the Council of Minister(s) thereof.

On the subject cited above, it is informed that prior approval of the Council of Minister(s) after concurrence of Finance Department is mandatory for purchase of new vehicles including those by way of replacement. The Cabinet has now decided that the cases of replacement of vehicles within norms will not be required to be brought to the Cabinet. However, approval of Finance Department will be mandatory as usual and proposals seeking deviation from norms or from Finance Department's views should invariably be brought to CMM.

It is thus requested to ensure compliance of the aforesaid instructions of the Cabinet.
