**Subject: Execution of works from agencies other than HPPWD.**

Sir/Madam,

I am to invite your attention towards the Public Works Department letter No. PBW(B)C(17)5/2015 dated 21.09.2015 vide which it was decided that for all works proposed to be given to agencies other than PWD, a No Objection Certificate (NOC) would be obtained from the Public Works Department.

2. It has been seen that some departments prefer to execute deposit works through agencies other than Public Works Department, for completion of their works in a time bound manner. It has also been seen that funds provided for deposit works remain unutilized or are diverted for other purposes which defeats the purpose of expeditiously completing works.

3. Requests have been received from departments to allow them to choose an executing agency other than Public Works Department without requirement of No Objection Certificate (NOC) from Public Works Department.

4. This matter was under consideration of the Government and it has been decided that Departments/PSUs etc. may choose any

suitable works executing agency of the State for execution of civil works, without any requirement of NOC from the Public Works Department.

5. The concerned works executing agency will ensure ring fencing of the funds and secure deposit work funds without diverting the funds for any other expenditure other than the specific work, so that the purpose of funds allotment to the agency is achieved in a time bound manner. In this regard the Departments are advised to sign a separate agreement for each work with these executing agencies specifically providing for use of deposit funds only on the work for which deposit has been made

Yours faithfully,

Secretary (Finance) to the  
Govt. of Himachal Pradesh
