No. Fin-E-(B)-15-2/2023
Government of Himachal Pradesh
Finance Department
(Expenditure Control - I)

From

The Principal Secretary (Finance) to the
Government of Himachal Pradesh, SHIMLA-02.

To

1. All the Administrative Secretaries to the
Government of Himachal Pradesh.
2. All the Heads of Departments in H.P.

Dated Shimla -171002, the 30th November, 2023.

Subject:- Guidelines regarding hiring e-taxi.

Sir,

1. I'm directed to refer to the subject cited above and to say that the Finance Department, vide its instruction/letter of even number dated 07th November, 2023 (Copy enclosed), has issued detailed guidelines for hiring of e-taxi(s) as per the defined procedure/SOPs formulated by the Transport Department under the Scheme "Rajiv Gandhi Swarozgaar Yojna - 2023". All the e-taxi(s) to be hired/leased as per this Scheme, have been classified into 04 categories viz. A, B, C, D.

2. In the interest of wider administrative convenience & in partial modification of this Department's aforesaid instruction dated 07.11.2023, it has now been decided that:-

- While hiring e-taxi(s) as per the defined procedure/SOPs formulated by the Transport Department under the Scheme "Rajiv Gandhi Swarozgaar Yojna - 2023", prior concurrence of Finance Department for all type categories e-taxi(s)/vehicle(s) would be mandatory.

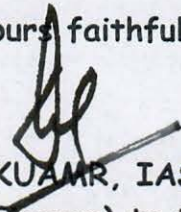

However, there is no need to obtain the approval of the Cabinet because it's merely hiring of taxi(s) on outsourcing mode as per the scheme launched by the Government;

- This'd be however within the approved fleet strength of the said Department/organization; and,
- All the expenditure to be incurred on hiring of e-taxi(s) in any Department would undoubtedly be met under SOE "Motor Vehicle" only.

3. This instruction may be brought to the notice of all concerned for information and compliance.

4. This letter/instruction may also be seen on www.himachal.nic.in/finance under the link "Expenditure".

Yours faithfully,

Regarding hiring of e-Taxi under Rajiv Gandhi Swarozgaar Yojna -
2023.

Sir,

I am directed to refer to the subject cited above and to say that 500 e-Taxis are to be deployed at various offices throughout the State which would help in providing employment to the State's youth apart from conserving the environment. The Transport Department is in the process of launching the website where both the beneficiaries and the various Government Departments hoping to deploy taxis under this Scheme would register themselves and the Department of Transport will handhold these Departments and select the beneficiaries whose taxis would be subsequently deployed. Thereafter, the Department of Labour and Employment will actually do the process of giving 50% subsidy to the beneficiary as well as tie up with the Bank for availing further funding.

I, therefore, request you to do the necessary codal formalities in order to get the permission for vehicles that is needed by your Department. The Finance Department has already arrived at the entitlement of e-taxi for different category of officers. I request your to immediately do the needful to avail this facility in order to deploy e-Taxi.

Please feel free to contact the Transport Department for hand holding under Rajiv Gandhi Swarozgaar Yojna - 2023, once you have the requisite permission for deploying e-Taxi.

Yours faithfully,

Subject: Regarding hiring of e-Taxi by Government Department/Local Authorities/Autonomous Body/ Board/ Corporation/ Government Undertaking or any other establishment.

Sir,

This is in connection with the decision taken on the Cabinet meeting held on 22-08-2023, where the SoP for plying of e-taxi scheme has been approved under the "Rajiv Gandhi Swarozgaar Yojna-2023". It has been decided that 500 Electric Vehicles would be deployed at the various offices throughout the State which would help in providing employment to the state's youth apart from conserving the environment. I am enclosing herewith SoP of this scheme for your kind reference. In case your department/corporation needs to either replace existing vehicles or have decided to buy new ones, then I would request you to contact the Transport Deptt. after completing all the codal formalities required for acquiring such vehicles. I request you to please go through this scheme & give us the tentative requirement of vehicles of your Deptt./Corporation etc., alongwith the type of vehicle (category-wise) and the districts, where it is needed, so that we would be in a position to match your requirements with the availability of willing unemployed youth who would be benefited by the Rajiv Gandhi Swarozgaar Scheme. As this scheme has been designed to deploy electrical vehicles with drivers on a monthly rental basis for a period of atleast four years, the transport department would do the requisite handholding so that the various departments can register itself in the designated transport department portal. We hope to start the registration process by October 2nd. It is pertinent to mention here that if you already have surplus drivers, then you will have to inform us, so that we can help you to depute them to other departments, which don't have drivers, but have vehicles (I would also request those departments, which have excess vehicles without corresponding drivers to inform us so that we would be able to depute these drivers on secondment basis from those departments, opting for

this scheme to the concerned department). I request you to do the needful immediately so that the scheme can be launched on October 2nd.

For further details , please contact Shri Anupam Kashyap, I.A.S., Director Transport or Shri Naresh Thakur, Addl. Commissioner, Transport.

Yours faithfully,
