Preface:

Before 1966, the Department of Fisheries, H.P. acted as a wing of state Forest Department and its main mandate was to identify and bring on record all fish resources available in the state. It has been assigned the status of independent Department in the year 1966. Thereafter sustainable utilization and development of fisheries resources through scientific approach have been taken up by the Department to maximize fish production, employment and to ensure socio-economic development of the fisher community. There are two big and two small reservoirs having total area of 42,483 ha, 3000 km of riverine length - out of which 600 km are trout waters, besides 500 ha. of pond and 617 ha high altitude natural lake resources. The headwaters of state riverine stretches are bestowed with exotic trout’s and indigenous fish species and lower stretches accommodate commercial fish species like Indian Major Carps, Exotic Carps, Mahseer & Mystus species. Table fish production from both capture & culture was around 9800 MT annually which could offer 1.428 kg. per capita of fish. The Department provides direct and indirect employment to around 11,000 families. Himachal Pradesh is the first state in the union of India which has not only successfully implemented trout farming technology borrowed from Norway, but has also successfully disseminated this technology, in the private sector.

The Department is headed by Director-cum-warden of Fisheries in H.P. and supported by Deputy Director of Fisheries and two Assistant Director of Fisheries under technical section, besides, Engineers and ministerial staff at the Directorate. One district in the state is headed by Deputy Director of Fisheries and eight districts are headed by Assistant Director of Fisheries besides one District by Senior Fisheries Officer. There is one more Pong reservoir division headed by Assistant Director of Fisheries. Under Central
Sector Scheme (Fish Farmers Development Agency) two Chief Executive Officers, one each at Solan and Palampur are heading five districts, each.

Citizen Charter of the Department of Fisheries, H.P. will provide glimpse of various state and central sector schemes being implemented by the Department and acquaint the fishers/ fish farmers and other clients /stake holders with guidelines, pattern of assistance, eligibility etc. under these schemes for availing services. However, charter is not a legal document to sue against any stake holder/client etc.

**Vision:**

Sustainable development of fisheries in the State for nutritional security and self – employment to the unemployed.

**Mission:**

- To increase fish production of the state by judicious management of all culturable water resources.
- To develop reservoirs for getting sustained per hectare fish production and to undertake breeding programmes of Indian Major Carps and Exotic fish species.
- To protect and conserve reservoir and lacustrine fishery of the State.
- To promote game fishery in the state with particular emphasis on promotion of angling of tourism.
- To promote commercial farming of Rainbow trout in the high altitude areas.
- To initiate welfare schemes for the fisher folk and impart them training.

FORM ‘C’
AGREEMENT

This agreement made on the __________________________day of________________________between
Shri………………………s/o Shri………………………Caste…………………………resident of
village…………………………Postoffice……………….Tehsil…………………District…………………Fish Farmer)
hereinafter referred to as the first party, and the Director-cum-Warden of Fisheries, Himachal Pradesh, through
Assistant Director of Fisheries………………………………………………
hereafter referred to as the 2nd party.

Whereas the first party has applied to the Assistant Director of Fisheries………………….through the Senior Fisheries
Officer…………………..District for………………………………………subsidy of Rs
(Rupees………………………………………….) only for the purpose of ………………..And w
hereas the Assistant
Director of Fisheries………………………………………………………………..has accordingly
agreed to the grant of said subsidy to the first party subject to the term and condition laid down in rules governing grant
of subsidy to Fish Farmers and Fishermen in Himachal Pradesh.

Now these presents witness and the parties mutually agrees as follows:-

1. That the sum of subsidy of Rs………………………)Rupees………………………) only shall be paid in three
installments by the second party to the first party as under: first installment shall be released on start of work;
2nd installment on the conclusion of 1/3rd work; and 3rd installment shall be released on the completion of the
2/3rd work as detailed in the estimates.

2. That the first party shall utilize the subsidy strictly for the purpose it has been sanctioned i.e. for the
construction/renovation of tank/pond check dam.

3. That the first party agrees to undertake works/jobs in accordance with the estimates formed by the Junior
Engineer of the Fisheries Department. The 2nd party does not allow the first party for any deviation from the
works shown in the estimates framed for the purpose.

4. The first party shall utilize the subsidy for the purpose it has been granted and undertake the works according
to the estimates.

5. That in case of any departure by first party in undertaking any part of the works accordedto the estimates, the
2nd party under this deed shall recover whole of the amount already paid to the first party in lump sum as
arrears of land revenue under the prevailing Himachal Pradesh Land Revenue Act.

6. The first party fully agrees to abide by the directions, advisees and instructions given by the 2nd party from
time to time in regard, to the development of intensive fish culture in the water area hired by him or provided to
him.

7. The first party agrees to undergo training in fish culture at the place selected by the 2nd party. The party
undertakes to refund the entire expenditure as estimated by the 2nd party for the entire duration of the training,
if the party leaves the training in between.
8. The first party accepts the water agrees given to him by……………..of……………………..on lease for a period of…………………………..years for the development of fisheries by him. The first party also agrees to pay the lease amount, so fixed in time to the Gram Panchayat concerned.

9. As the first party is not interested in raising the loan from any Bank, and as such the first party agrees to raise the balance amount of the estimates cost for the renovation of the foregoing pond from his own resources.

10. The first party agrees to inform the 2nd party about the weight of fish caught and revenue earned by way of sale of fish from the pond every year.

11. The first party agrees to repay the loan taken from the Banks in time as stipulated. The first party further agrees that the 2nd party has full authority to collect the amount from him, in case of any default.

12. That in case of death, insolvency, insanity of the first party of his otherwise becoming incapable for repayment of loan or in case of his utilizing the subsidy for the purpose other than that specified herein before or in case of breach of any of the condition of the grant of loan or subsidy, the first party binds itself and successor(s) in interest including the surety and his successor(s) in interest to be personally liable for the repayment of loan of subsidy alongwith the interest to the 2nd party.

13. The first party agrees to offer full opportunities to the representative(s) of the 2nd party to examine the hooks of account sale proceeds, and the pond where the first party is carrying out the fish culture.

14. The first party undertakes that it would execute fish culture operations with honestly and sincerely and would take effective care of fish. The first party will not put forth any excuse particularly of the nature of theft as a reason for any non-payment of dues.

15. In witness where of both the parties have signed.
