(Balbir Singh)
Under Secretary (Personnel) to the Government of Himachal Pradesh
As per provisions contained in Fundamental Rule-56(j) and Rule-48 of CCS (Pension) Rules, 1972, the Government has absolute right to retire any Government servant, if it is necessary to do so in the public interest who have outlived their utility or whose integrity is doubtful.

Following are the parameters which are based on the judgement delivered by the Supreme Court in State of Gujarat v/ Umedbhai M.Patel, 2001 (3) SCC 344, and are required to be kept in view while considering compulsory (prematurely) retiring of a Government servant:

- Whenever the services of a public servant are no longer useful to the general administration, the officer can be compulsorily retired in the sake of public interest.

- Ordinarily, the order of compulsory retirement is not to be treated as punishment within the meaning of Article 311 of the Constitution of India.

- For better administration, it is necessary to chop off ‘dead wood’, but the order of compulsory retirement can be passed after having due regard to the entire service record of the officer.

- Any adverse entries made in the confidential record shall be taken note of and be given due weightage in passing such order.
• Even un-communicated entries in the confidential record can also be taken into consideration.

• The order of compulsory retirement shall not be passed as a short cut to avoid Departmental enquiry when such course is more desirable.

• If the officer was given a promotion despite adverse entries made in the confidential record, this is a fact in favour of the officer.

• Compulsory retirement shall not be imposed as a punitive measure.

In every review, the entire service record should be considered. The expression 'Service Record' will take in all relevant records and hence the review should not be confined to the consideration of the ACR/ APAR dossier. The personal file of the officer may contain valuable material. Similarly, the work and performance of the officer could also be assessed by looking into files dealt with by him or any papers or reports prepared and submitted by him. It would be useful if the Department put together all the data available about the officers and prepares a comprehensive brief for the consideration by the Review Committee.

While the entire service record of an officer should be considered at the time of review, no Government servant should ordinarily be retired on grounds of ineffectiveness if his service during the preceding 5 years or where he has been
promoted to a higher post during that 5 year period, his service in the higher post, has been found satisfactory.

No Government servant should ordinarily be retired on ground of ineffectiveness, if, in any event, he would be retiring on superannuation within a period of one year from the date of consideration of case. In a case where there is a sudden and steep fall in the competence, efficiency or effectiveness of an officer, it would be open to review his case for premature retirement. This provision is relevant only when an Government servant is proposed to be retired on the ground of ineffectiveness, but not on the ground of doubtful integrity. The damage to public interest could be marginal if an old Government servant, in the last year of service, is found ineffective, but the damage may be incalculable if he is found corrupt and demands or obtains illegal gratification during the said period for the tasks he is duty bound to perform.

As far as 'Integrity' is concerned, it may be kept in view that Government servant would live by reputation built around him. In an appropriate case, there may not be sufficient evidence to take punitive disciplinary action of removal from service. But his conduct and reputation is such that his continuance in service would be menace to public service and injurious to public interest. Thus while considering integrity of an Government servant, actions or decisions taken by the Government servant which do not appear to be above board, complaints received against him, or suspicious property transactions, for which there
may not be sufficient evidence to initiate departmental proceedings, may be taken into account.

Similarly, reports of ‘Conduct’ unbecoming of a Government servant may also form basis for compulsory retirement. If conduct of a Government servant becomes unbecoming to the public interest or obstructs the efficiency in public services, the Government has an absolute right to compulsorily retire such an Government servant in public interest.

No show-cause notice need to be issued to any Government servant before a notice of retirement(s) is issued to him under the aforesaid provision(s). The appropriate authority should bonafide form an opinion that is in the public interest to retire the Government servant in exercise of the powers conferred by that provision and this decision should not be an arbitrary decision or should not be based on collateral grounds. Accordingly, in every case where it is proposed to retire a Government servant in exercise of the powers conferred by the said rule, the appropriate authority should record in the file its opinion that it is necessarily to retire the Government servant in pursuance of the aforesaid rule in the public interest. The order to be served to the Government servant would of course be on the Form prescribed for the purpose.

Due to change in the areas of responsibilities of various Departments in the present scenario, the Review Committees in the case of various levels of Government servants shall be constituted to
which all such cases shall be referred for recommendation as to whether the Government servant should be retained in service or retired from service in the public interest. The composition of Committee will be as under:

(i) **Class-I Gazetted posts**

Administrative Secretary ..... Chairman
Head of the Department ..... Member
Special/Additional/Joint/ ..... Member
Deputy/Under Secretary (Branch Officer)

(ii) **Class-II Gazetted post**

Administrative Secretary ... Chairman
or his representative i.e.
Special / Additional / Joint Secretary/Deputy/Under Secretary
Head of Department OR ....... Member

Joint /Deputy Director or Chief Engineer etc.
(iii) **Non-Gazetted Posts**

- Head of Department ..... Chairman
- Additional/Joint/Deputy Director ..... Member
- District Level Officer/Subordinate Head of Office ..... Member

The Administrative Secretary/Head of the Department is also empowered to constitute internal committees to assist the Review Committees in reviewing the cases. These Committees will ensure that the service record of the Government servants being reviewed, along with a summary bringing out all relevant information, is submitted to the Cadre Authorities at least 3 months before the due date of review.

The cases of Government servants covered by Rule-3(1) should be reviewed 6 months before he/she attains the age of 50/55 years and on completion of 30 years of qualifying service as per the following calendar:-

<table>
<thead>
<tr>
<th>S.No.</th>
<th>Quarter in which review is to be made</th>

</thead>
</table>
A register of Government servants who are due to attaining the age of 50/55 years or complete 30 years of service to be maintained. The register should be scrutinized at the beginning of every quarter by a senior officer at the Government as well as Departmental level as the case may be and the review undertaken according to the above schedule.

**GUIDELINES FOR REVIEW COMMITTEES**

All Review Committees are advised that they should keep the following guidelines in mind at every Review Meeting under Rule-3(1) -

(i) Before the cases are put up to the Review Committees, the Personal file of the officers should be brought up-to-date;

(ii) If adverse remarks in the Personal files were communicated to the officers, the result of their representations, if any, should be recorded in the 'Personal files'.

(iii) If adverse remarks were not communicated to the concerned Officers, due regard should be given to subsequent reports to assess the
weightage to be given to such adverse remarks;

(iv) Mere pendency of an enquiry against the Officer with the Director of Vigilance and Anti-Corruption should not be taken into consideration for recommending the cases for compulsory retirement;

(v) Reason for recommending the retirement should be recorded clearly;

(vi) Scheduled Castes / Scheduled Tribes and more Backward Class Officers should be shown special consideration before their cases are recommended for compulsory retirement. Unless questions of corruption or moral turpitude are involved, the review Committees may err on the liberal side in the case of such officers.

(vii) The proceedings of the Review Committee and other records of Government should clearly indicate that material relating to the inquiry / disciplinary proceedings / Court Proceedings pending against the officer was not taken into account while coming to the conclusion whether the officer concerned should be retained in service / retired from service. A certificate to the above effect has also to be furnished in respect of all review of cases.

(viii) The recommendation of the Head of the Department whether the Government servant concerned is fit to be retained in service or retired under Rule-3(1) should invariably be obtained in writing before the meeting of the Review Committee, with supporting reasons and given adequate weight in the final decision.
(ix) In the "Form of recommendation of Review Committee" the names of the Chairman and Members of Review Committee should be invariably typed below their signatures, so as to obviate the difficulty in identifying their names.

(x) Though in the order of compulsory retirement, the reason is mentioned crisply as "Public interest" the Review Committee should indicate clearly in detail in a separate record of its deliberations (not in the ultimate proceedings or recommendation) the grounds on which the Committee has come to the conclusion that the Government servant should be compulsory retired, so that the record of deliberations of the Review Committee will be available for perusal of the High Level Standing Committee, while considering the review petitions of Government Servant compulsorily retired.

(xi) Form of recommendation of Review Committee will be as follows:

(a) Name of the officer
(b) Date of birth

13. Remarks of the Appointing Authority

Note-1: The Review Committee should once and for all carefully consider each case and take a final decision. They should judge the official by strict norms/yardsticks in recommending their fitness for continuance in service. The committee should not be on the liberal side, as it defeats the very purpose for which such Review committee have been set up.

Note-2 The Appointing Authorities/Heads of Departments concerned should be made personally responsible to ensure that all the cases that are ripe for review have to be placed before the Review committee in time and its recommendations are obtained well before the actual limit is reached and severe action should be taken in regard to any lapse of failure to be observe the prescribed time limits.

Note-3 In respect of government servants whose services are placed on secondment/deputation, the recommendations of Borrowing Organization may be obtained before putting up their cases before Review Committee.

Note-4 The specific recommendations of Review committee concerned either for retention in service or for compulsory retirement should be obtained.

Note-5 The recommendations of the Committee are considered by the Government and decision taken either for accepting or otherwise. If the proposal is to retire a person compulsorily under these rules, orders of Chief Minister should be obtained. In other cases, where it is proposed to allow the incumbent to
continue in service circulation of the cases is not necessary. If decided to retire a Government servant compulsorily, he should be given 3 months' notice in writing or 3 months' pay and allowances in lieu of such notice while retiring him from service. The date of compulsory retirement shall be the date of issue of orders compulsorily retiring a Government servant from service. The orders compulsorily retiring a Government servant shall be issued by the appropriate authority who has the power to make substantial appointments to the post of service from which the Government servant required to retire.

Note-6 In all cases of compulsory retirement under these rules, wherein it has been decided to retire an officer by giving him 3 months' notice or salary in lieu of 3 months' notice of the retirement order and the notice salary cheque should be served on the individual in person on the date of issue of the orders.

Note-7 While issuing orders of compulsory retirement under these rules, the grounds that the officer is being compulsorily retired on "Public Interest" should be specified. The Government servant compulsorily retired should also be informed that if he so desires he may prefer a review petition, within one month from the date of issue of the order of compulsory retirement.

Note-8 In case where disciplinary proceedings are pending against a Government servant and where action has been initiated for imposing a major penalty and the proceedings are in the final stages, the disciplinary proceedings may be finalized instead of compulsorily retiring the officer under these rules.

Note-9 When an officer is compulsorily retired under Rule-3(1), further disciplinary proceedings against such officer
should not be pursued and the disciplinary proceedings that are being pursued against an officer compulsorily retired so far shall be dropped and no action need be pursued in such cases.

**Note-10** In case where a Government servant is under suspension and his name is recommended by the Review Committee for compulsory retirement, he cannot straight away be compulsorily retired under these rules. The suspension orders have to be revoked in the first instance re-instating him to service and the orders for compulsory retirement should be issued. Regularisation of the period of suspension will depend on the outcome of the disciplinary proceedings taken against him.

**Note-11** In the case of Government servant on leave, the procedure would be either to recall from leave and serve the orders of retirement when he joins duty or wait for the Government servant to join duty on the expiry of leave and then serve the order.

**Note-12** In the case of Government servant, who is working in a station away from the headquarters of appropriate authority, the orders of the compulsory retirement along with the Notice Salary may be served after calling him in person to the headquarters.

**Note-13** In the case of a Government servant who is way on camp from the headquarters/ the order may be served on the officer by recalling him from camp or on return from the camp.

**Note-14** In the case, it is found that an officer is evading the receipt of the order of compulsory retirement, then the procedure indicate below should be followed for service of the order:-
(i) If such person is not found, by leaving it at his last known place or residence or by giving or tendering it to an adult member of his family, or

(ii) If the address of such person is known, by sending it to him by registered post, or

(iii) If none of the means aforesaid is available, by affixing it in some conspicuous part of his last known place of residence.

In all these cases, the appointing authority should ensure that there is no time lag between the date of issue of orders and the date of serving such an order.

When an officer refuses to receive the notice salary and evades the service of orders of Compulsory retirement, in such cases, the 3 months notice salary has to be paid to the compulsorily retired government servant through Cheque, as and when he approaches the appropriate authority concerned or the appropriate authority has to send the Cheque through registered post with Acknowledgement due if the address is known to him subsequently.

**Note-16 Settlement of Pension, Death cum Retirement Gratuity and Provident Fund** - The work relating to preparation of pension papers shall not be delayed till the Government servant has actually submitted a formal application. The provisions which apply in the case of normal retirement, will also apply in the case of Government servant who are retired under these rules as all benefits that accrue under normal retirements are allowed in the case of compulsorily retired government servant(s), since retirement under these rules is not a punishment, even where a formal application has not been received, action may be
initiated for the sanction of final pension and DCRG under CCS (Pension) Rules, 1972 or National Pension Scheme on the basis of particulars available in the service books of the Government servants and other concerned records. Where there are difficulties such as delay in verification of service, non availability of service registers, etc. as a result of which it might not be possible to complete the process of pension claim within a period of 3 months from the date of retirement, a provisional pension, which should approximate 2/3rd of the pension or as admissible under National Pension Scheme, to which the Government servant may be normally entitled, should be sanctioned. Simultaneously, GPF claims should also be settled promptly.

**Note-16 REVIEW OF ORDER OF COMPULSORY RETIREMENT-** If the Government servant compulsorily retired, prefers a Representation/Appeal, such appeal should be sent to the Chief Secretary through the appropriate authority within one month from the date of issue of the order of compulsory retirement.

In cases, where final decision has been taken to reject the appeal of the government servant while his Writ Petition is pending in the Court, he may be informed that the final decision in his review petition will be communicated after disposal of petition.

If on a review of the case either on a representation from the Government servant retired prematurely or otherwise, it is decided to reinstate the Government servant in service, the authority ordering reinstatement may regulate the intervening period between the date of premature retirement and the date of reinstatement by the grant of leave of the kind due and admissible, including extra ordinary leave, or by treating it as dies
non depending upon the facts and circumstances of the case:

Provided that the intervening period shall be treated as a period spent on duty for all purposes including pay and allowances, if it is specifically held by the authority ordering reinstatement that the premature retirement was itself not justified by the circumstances of the case, or, if the order of premature retirement is set aside by a Court of Law.

Where the order of premature retirement is set aside by a Court of Law with specific directions in regard to regulation of the period between the date of premature retirement and the date of reinstatement and no further appeal is proposed to be filed, the aforesaid period shall be regulated in accordance with the directions of the Court.

Note-17 While settling the arrears to pay and allowances to the re-instated Government servant, the pension, DCRG already paid shall be regulated on the lines indicated below:-

(a) Such persons are entitled to pay and allowances less the period already received, if any.
(b) The notice salary already paid may be adjusted against the duty pay to be disbursed. No interest need be charged on the notice salary.
(c) No interest need be charged on the encashed leave salary.
(d) As regards the adjustment of DCRG/NPS already paid, the same should be adjusted against the pay and allowances admissible to the extent possible. The balance DCRG may be allowed to be retained by Government servant concerned on payment of simple interest as prescribed for GPF for the corresponding period. The amount to
be retained will be adjusted against the final DCRG/NPS becoming due on final retirement and the balance, if any will be paid to him.

**Note-18**

When a Government servant compulsorily retired has been reinstated to duty, reference to his compulsory retirement and reinstatement should not be made while considering his name for promotion or for any other selection.
