

How To Install E-Roll Software & Print the E-Roll/EPIC

STEP 1: Click on ER Printing Software Setup

STEP 2: Run ER Printing Software Setup, Click Next when prompted and Installation will begin, this will take some time

STEP 3: After Successful Installation You are now ready to use ER Printing Software

STEP 4: After login, User will get the following screen

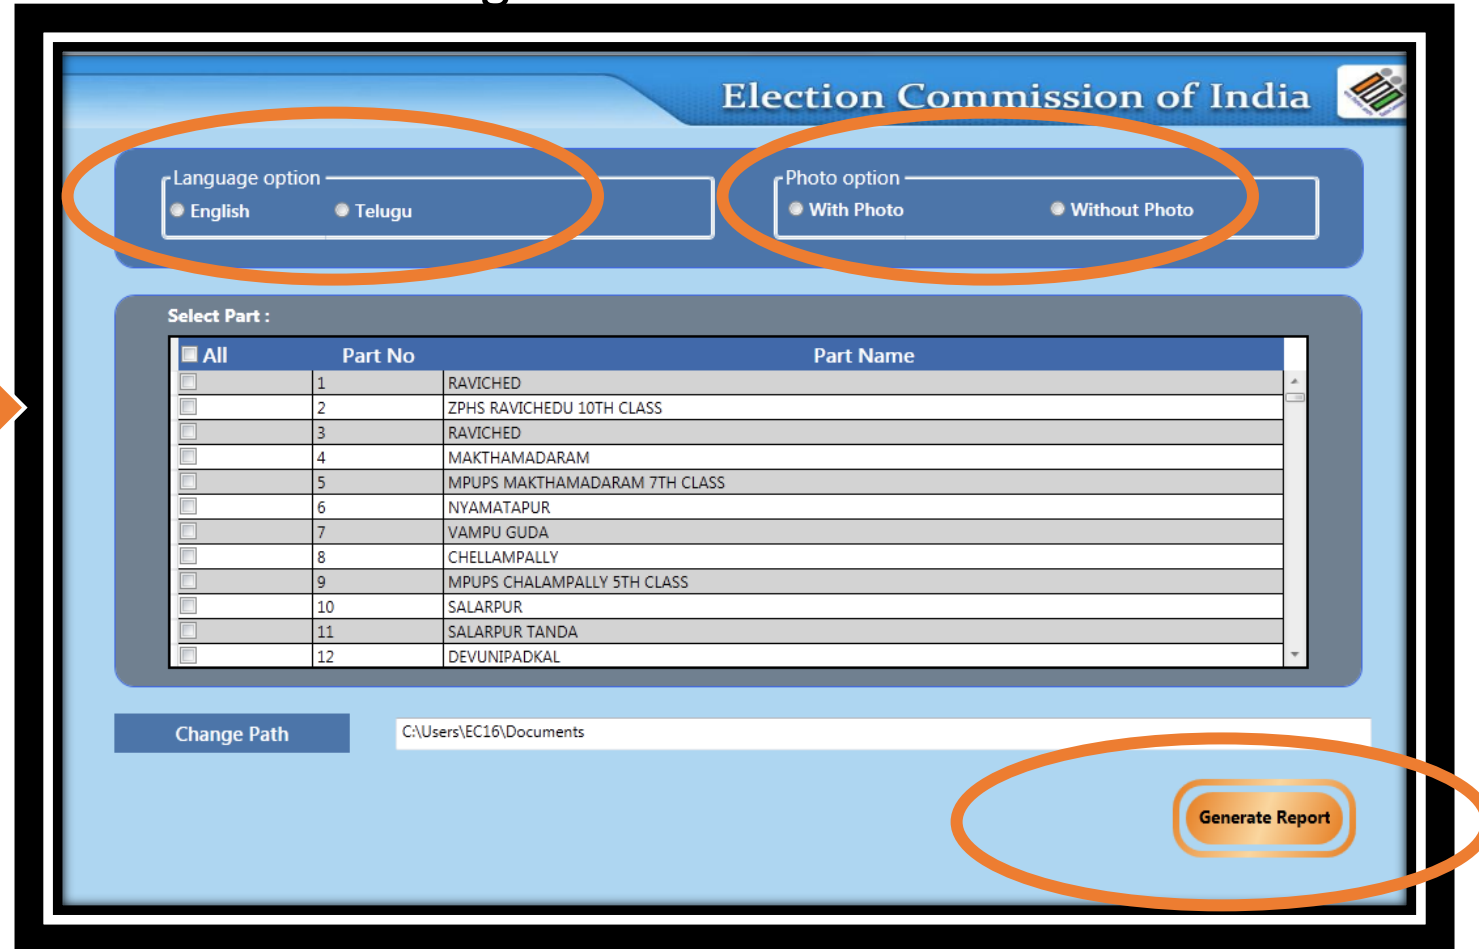

A login form window titled "ER Printing Software" with a close button (X) in the top right corner. It features a user icon and a key icon. Below these are two input fields: "Please Enter UserName" and "Please Enter Password". At the bottom, there are two green buttons labeled "Login" and "Cancel".

The main application interface for "ER Printing Software" titled "Election Commission of India". It features a header with the text "Election Commission of India" and a logo. Below the header is a large image of a group of people holding up their identification cards. The main content area contains four colored buttons with icons and text: "Print Mother roll" (green), "Print Supplements" (orange), "Print Electors List" (teal), and "Print EPIC" (purple).

STEP 5: In this screen you have Two options (**Print Mother Roll and Print Supplement**).

5.1: A) Now when you click on “**Print Mother Roll**”, you will get a list of Part which come under that AC with the details as shown in the image below

Language option

English Telugu

Photo option

With Photo Without Photo
