

DGMC Awards for Mobile Apps of Himachal Districts and NIC Himachal

Dr. Neeta Verma, Director General, National Informatics Centre, MeitY, Gol presented the District Governance Mobile Challenge (DGMC) to the short-listed winners of this Mobile Application Challenge open to all District Centres of NIC in India, on 28-May-2021. All NIC officers at NIC Hqrs, States and Districts were present during the virtual award ceremony. The Deputy Commissioners of Award winning districts were also present to receive the Awards with DIO and ADIO.

ePermission App being Awarded the Bronze Award in DGMC Challenge

The ePermissions mobile app, developed by NIC District Centre, Shimla has been awarded the Bronze Award. The App enables citizens to apply online for various kinds of services in both Hindi and English. It has interface for District Administration to process and forward these applications to other Users of the system through the Mobile App.

Director General, NIC expressed satisfaction over the completion of the DGMC Challenge and the overwhelming response by Districts. She informed that 600 DIOs/ADIOs submitted the entries, out of which 374 mobile apps were completed and 265 mobile apps have been published on NIC account on Google Play Store. She appreciated the role of Centres of Competency for Mobile App Development and State Mentor Teams who guided the mobile app development process at Districts. This has been a technology upgrade for NIC Officers posted in Districts as they have completed the entire Mobile App Development life cycle at their own.

Sh. Pawan Kumar Joshi, DDG and Chairperson, Technical Advisory Group of NIC informed the process of shortlisting the list of 78 mobile apps for 2nd phase and finalization of Top 20 apps with 4 apps being the winners. Dr. R.K. Mishra, DDG and Member TAG presented the background introduction of the DGMC challenge.

Gold Award for overall performance to NIC Himachal Pradesh

NIC HP State Centre Officers at Shimla

The eKalyan mobile app, developed by NIC District Centre, Solan has got the Certificate of Appreciation. The App enables welfare pensioners of Old age, Widows, Differently Aabled to view their quarterly pension details in systematic manner in the App. Besides, the Departmental officials can monitor the status of timely disbursement of pension in all districts of the State. It has back-end integration with the eKalyan software implemented in the State of Himachal Pradesh.
