Subject: **Regarding Hon'ble Chief Minister's Announcement for providing safe drinking water Bottles to school students in H.P.**

Memo:

Refer to this office letter No. EDN-H (Ele)9(3)-19/2025 dated 17.04.2026 on the subject cited above vide which the information related to total enrolment of students in all the Govt Schools in the State from Pre-primary to 12th class was sought. The information received from all the Districts was compiled and found that total enrolment in all the Govt Schools in the State is 7, 68,037 whereas the enrolment shown in UDISE is 718559. There seems a major difference of 50,000 numbers in the data received from your offices in comparison to UDISE data received as on 09.07.2026. Since the exact no. of students from Pre primary class to class 12th is urgently required to place the order to the concerned agency for providing safe drinking water Bottles to school students in H.P. therefore, you are directed to re-examine the enrolment of students furnished by you to this Directorate immediately and submit the revised information to this Directorate within two days positively. The BPO wise information of Enrolment of students received from your Districts and information available as per UDISE is enclosed for your information.

This may be treated as most urgent.
