JSSJ(E&B)

Respected Sir/Madam,

Greetings from the Indian Institute of Technology Kanpur.

SATHEE—Self-Assessment, Test and Help for Entrance Examinations—is an educational initiative of IIT Kanpur, supported by the Ministry of Education, Government of India. The initiative has been developed to provide free, high-quality learning, assessment, mentoring and competitive-examination preparation support to students across the country.

IIT Kanpur has entered into a Memorandum of Understanding with the Backward Classes and Extremely Backward Classes Welfare Department, Government of Bihar. Under this collaboration, SATHEE is being implemented successfully in **39 Girls' +2 Residential Schools** in Bihar. Students in these residential schools are being provided structured academic support, competitive-examination preparation, assessments, mentoring and performance monitoring through the SATHEE platform.

30/6/26

Building upon this experience, IIT Kanpur proposes to collaborate with the Government of Himachal Pradesh to implement SATHEE for students studying in departmental residential schools, hostels, government schools and other identified educational institutions across the State.

The proposed collaboration can provide the following support to students:

Lectures by IIT faculty and subject experts
Structured lectures in Physics, Chemistry, Mathematics and Biology by IIT faculty members, alumni and experienced subject experts.

Learning in pure Hindi, Hinglish, English and Regional languages

Academic content and lectures in clear Hindi, Hinglish, English and Regional languages so that students from any background can understand complex concepts comfortably.

Free access for students
SATHEE learning resources, lectures, practice material and assessments will be available free of cost to students.

Preparation for major entrance and recruitment examinations
Students can receive preparation support for examinations such as JEE, NEET, CUET, CLAT, ICAR, SSC, RRB, IBPS and other relevant competitive examinations.

State, district, school and student dashboards
Dedicated dashboards can be provided to enable the Department, nodal officers, principals and school coordinators to monitor:

Preparation for major entrance and recruitment examinations
Students can receive preparation support for examinations such as JEE, NEET, CUET, CLAT, ICAR, SSC, RRB, IBPS and other relevant competitive examinations.

State, district, school and student dashboards
Dedicated dashboards can be provided to enable the Department, nodal officers, principals and school coordinators to monitor:

- student registrations;
- student attendance and platform activity;
- lectures watched;
- tests and quizzes attempted;
- subject-wise and topic-wise performance;
- learning gaps and areas requiring additional support; and
- progress of students over time.

All India mock-test series
Students will be provided topic-wise tests, subject-wise tests, previous-year questions and All India mock examinations based on the pattern of the respective competitive examinations.

Short-term intensive courses before examinations
SATHEE can conduct focused crash courses and revision programmes before major entrance and recruitment examinations. These courses can include important concepts, previous-year questions, examination strategies, mock tests and doubt-clearing support.

Motivational and mentoring sessions
Students will have access to motivational, mentoring and examination-preparation sessions conducted by students and alumni of IITs, AIIMS and other premier institutions. These sessions will help students learn from the experiences, preparation methods and challenges faced by successful candidates.

Doubt-clearing support
Regular online doubt-clearing sessions can be organised to help students resolve academic difficulties in Physics, Chemistry, Mathematics and Biology.

Structured academic planning
Class-wise, subject-wise and examination-wise academic schedules can be prepared, including monthly syllabus plans, recorded lectures, practice assignments, tests and revision programmes.

The proposed initiative can initially be implemented as a pilot in selected departmental residential institutions. Based on student participation and performance, the programme may subsequently be expanded across all districts of Himachal Pradesh.

SATHEE will complement the existing educational initiatives of the Government of Himachal Pradesh by bringing IIT-supported lectures, structured competitive-examination preparation, mentoring, assessments and data-based monitoring to a wider group of students. It will particularly benefit students who may otherwise be unable to access high-quality private coaching.

We request the Department to provide an opportunity to the SATHEE team from IIT Kanpur to make a detailed presentation and jointly prepare an implementation plan for Himachal Pradesh.

Subject: SATHEE Project – reg.

Dear Principal

SATHEE *(Self-Assessment, Test and Help for Entrance Examination)* is a project that is led by the Ministry of Education, Govt. of India in partnership with IIT Kanpur. SATHEE project aims to provide completely free resources to students so that they can prepare for engineering (JEE Mains), medical (NEET) exams and other competitive exams such as (SSC, ICAR, CLAT, IBPS, RRB and CUET). It has 1000+videos in multiple Indian languages and a question bank of several mentorship, and guidance is also available from IIT and AIIMS students besides NCERT/ exemplar solutions/ previous years question papers are available for classes 11th and 12th.

The platform facilitates students by providing opportunity for a self-paced interactive learning and assessment to prepare for competitive exams. SATHEE integrates advanced features such as:

- Mentoring, video lectures and live sessions by renowned faculty from institutions like IITs, AIIMS, etc.
- Discussion and problem-solving forum led by successful candidates.
- AI-based assessment forum
- E-learning repository
- Solved question papers of previous years
- There is also a proposal of Monthly Tests in CBSE affiliated schools in online and offline mode to prepare students for Board Exams and competitive exams. This test will be based on the syllabus covered as per the scheduled time, helping students prepare for exam-like situation.

The schools may use these resources free of cost, as required. The schools may depute a nodal officer for the SATHEE project.

Detailed information about the SATHEE project is available at https://sathee.iitk.ac.in/ and for any further clarification, the schools may contact Mr. Rohit Tripathi at 011-23385243 and Ms. Prachi Garg at 7755048130.

Students will have access to motivational, mentoring and examination-preparation sessions conducted by students and alumni of IITs, AIIMS and other premier institutions. These sessions will help students learn from the experiences, preparation methods and challenges faced by successful candidates.

Doubt-clearing support
Regular online doubt-clearing sessions can be organised to help students resolve academic difficulties in Physics, Chemistry, Mathematics and Biology.

Structured academic planning
Class-wise, subject-wise and examination-wise academic schedules can be prepared, including monthly syllabus plans, recorded lectures, practice assignments, tests and revision programmes.

The proposed initiative can initially be implemented as a pilot in selected departmental residential institutions. Based on student participation and performance, the programme may subsequently be expanded across all districts of Himachal Pradesh.

SATHEE will complement the existing educational initiatives of the Government of Himachal Pradesh by bringing IIT-supported lectures, structured competitive-examination preparation, mentoring, assessments and data-based monitoring to a wider group of students. It will particularly benefit students who may otherwise be unable to access high-quality private coaching.

We request the Department to provide an opportunity to the SATHEE team from IIT Kanpur to make a detailed presentation and jointly prepare an implementation plan for Himachal Pradesh.

We look forward to collaborating with the Government of Himachal Pradesh to provide equitable, accessible and high-quality educational opportunities to students across the State.

Yours sincerely,

Team SATHEE
