

Privacy Policy – “Elector Search Himachal” Mobile App

National Informatics Centre, Himachal Pradesh has Developed the “Elector Search Himachal” Mobile App for the State Election Commission, Himachal Pradesh. The Commission holds Elections for Panchayati Raj Institutions and Urban Local Bodies in the State. The Electoral Rolls are prepared by the respective Electoral Registration Officers and Assistant Electoral Registration Officers under the superintendence, direction and control of the State Election Commission using ERMS software. These Electoral Rolls are prepared Ward/Polling Station wise and are published on the web. The app helps electors of the state to search their name in these rolls to find out the exact details of their registered vote. The User is provided with the District, Block/ULB, Ward, Polling Station (wherever valid), Relative Name, Age, EPIC number, House No, Ward and Ward extent etc. During the election process the user can also check the contesting candidates of user’s constituency. On declaration of result the winning candidate and votes secured by various candidates is also available. The app is available on Play Store free of cost.

Permission used by this App:

App only uses the internet connection of user’s device.

The app allows user to search Electoral Rolls and Information of Contesting/Elected Representatives of selected constituency. The application does not capture any user information.
